Chapter 8.

An Act to Amend Section Forty-eight of Chapter Fourteen of the Revised Statutes, Relating to the Passamaquoddy Tribe of Indians.

Be it enacted by the People of the State of Maine, as follows:

R. S., c. 14, § 48; relating to members of Passamaquoddy Indians falling into distress outside of reservation limits, amended. Section forty-eight of chapter fourteen of the revised statutes is hereby amended by adding thereto the following:

'And when any member of said tribe is found destitute and in distress beyond the tribal reservation and is relieved by the town in this state where he is so found, the overseers of the poor of said town may send to the agent a statement specifying the nature, dates and amounts of the supplies furnished, which shall be transmitted to the governor and council with such additional statements of fact as said agent may think proper; and the state shall reimburse said town for the relief so furnished, to such extent as the governor and council adjudge to have been necessarily expended therefor,' so that said section, as amended, shall read as follows:

'**Sec. 48. Municipalities to be reimbursed by the state for supplies furnished.** Any member of the Passamaquoddy tribe, requiring assistance under the provisions of the preceding section, relating to aid to the distressed poor of said tribe, may be removed by the agent of said tribe from any place in which he may be residing, or be found, to either of the Indian reservations provided for said tribe, or may be removed from one of such reservations to another such reservation, whenever, in the judgment of the agent, such removal should be made. And when any member of said tribe is found destitute and in distress beyond the tribal reservation and is relieved by the town in this state where he is so found, the overseers of the poor of said town may send to the agent a statement specifying the nature, dates and amounts of the supplies furnished, which shall be transmitted to the governor and council with such additional statements of fact as said agent may think proper; and the state shall reimburse said town for the relief so furnished, to such extent as the governor and council adjudge to have been necessarily expended therefor.'
