As Passed by the Seventy-Ninth
Legislature

1919

and all purposes, and said company and its successors and assigns are also authorized and empowered to transmit, furnish and sell electricity, generated by the water power of said river at said dam or dams, or otherwise, for power and light to the Pepperell Manufacturing Company, its successors and assigns, the York Manufacturing Company, its successors and assigns, the Cumberland County Power and Light Company, its successors and assigns, and the York County Power Company, its successors and assigns.

Approved March 26, 1919.

Chapter 77.

An Act to Incorporate the Calais Power Company.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Corporators and name. William F. Hanson, Reed V. Jewett, and Ashley Saint Clair, their associates, successors and assigns, are hereby made a body corporate by the name of the Calais Power Company, with all the powers, rights and privileges and subject to all the duties and obligations conferred and imposed on corporations organized to sell, distribute and supply electricity for light, heat and power under the general laws of the state, except as otherwise provided herein.

Sec. 2. Authorized to construct dam on Howard Mill stream; proviso. Said company is authorized to locate, construct and maintain a dam or dams on the Howard Mill stream, in the city of Calais, county of Washington, provided that suitable sluices are constructed and maintained by said company in said dam or dams at its own expense, for the passage of logs and other lumber down said stream.

Sec. 3. Purposes. Said company is authorized and empowered to carry on the business of manufacturing, generating, distributing, selling and supplying electricity for light, heat and power for all lawful purposes in the towns of Charlotte, Baring and Robbinston and for mechanical and manufacturing purposes in the city of Calais.

Sec. 4. Additional purposes. Said corporation is further authorized to transmit, sell and supply electricity to electric light, heat and power or electric railroad companies and to any person or persons, or corporations desiring to purchase and use the same for manufacturing, or mechanical purposes at points in the towns of Calais, Baring, and Robbinston, in the county of Washington, and for the purposes specified in the first three sections of this act said corporation is hereby authorized and empowered to set, build, extend and maintain poles, lines and wires in, upon and over such streets and public ways in the towns of Calais, Baring and Robbinston

CHAP. 77

as it may deem most expedient in carrying out the purpose of this act, under such reasonable restrictions as the municipal officers of the respective towns through which such poles, lines and wires may be established, may impose in accordance with the general laws of the state.

Sec. 5. Capital stock. The capital stock of said company shall not exceed fifty thousand dollars, divided into shares of one hundred dollars each.

Sec. 6. Bond issue authorized. Said company is hereby authorized to issue bonds for the construction of its works upon such rates and time and in such amounts as it may deem necessary, and to secure the same by appropriate mortgage upon its franchises and property, present and future.

Sec. 7. Authorized to develop power for manufacturing purposes. Said corporation is further authorized to develop such water power as it may own or acquire at Calais, Baring, Charlotte, or Robbinston for manufacturing purposes and to engage in manufacturing through the use of such power.

Sec. 8. May sell to or purchase of other corporations property and franchises. Said corporation may sell and convey its rights, privileges, franchise and property to any other electric light, heat, power or electric railroad or manufacturing corporation chartered by this state or may purchase and hold the property, rights, franchise and privileges or capital stock of any such corporation.

Sec. 9. First meeting, how called. The first meeting of said corporation may be called by any corporator by mailing a written notice, postage prepaid, to each of the other corporators seven days at least before the day of the meeting, and any corporator may act at such meeting by proxy.

Sec. 10. Not to transmit electric current outside of state. It shall be unlawful for said corporation to transmit electric current for sale or use beyond the limits of this state or to contract with any person, firm or corporation for the transmission or sale of electric current beyond the limits of this state, and said corporation shall not be permitted to acquire in any manner the franchises of or consolidate with or transfer or lease its property, rights and franchises to any other corporation, firm or person now transmitting or having the right to transmit electric power beyond the confines of the state, without express authority of the legislature.

Approved March 27, 1919.
