## Chapter 91.

An Act to Amend Section Eighty-two of Chapter Sixteen of the Revised Statutes, Relating to Free High Schools.

*Be it enacted by the People of the State of Maine, as follows:*

**R. S., c. 16, § 82; relating to the management and supervision of free high schools, amended.** Section eighty-two of chapter sixteen of the revised statutes is hereby amended by inserting in the tenth line thereof, after the word “superintending,” the word ‘school,’ so that said section, as amended, shall read as follows:

**‘Sec. 82. Clerical error corrected so that the provision relative to the supervision of high schools shall read superintending school committee instead of superintending committee.** Free high schools, established and maintained under the foregoing provisions, are subject to the laws relating to common schools, so far as applicable, except as otherwise provided. When established and maintained by a town, they shall be under the supervision and entire management of the superintending school committee of such town. When established and maintained by a union of towns, such school shall be under the supervision and entire management of the school committees of such towns, who constitute a joint board for that purpose. When established and maintained by any precinct, such school shall be under the supervision of the superintending school committee of such town, or of the the state superintendent, when the precinct so elects, and under the financial management of the agent of the precinct, who, in connection with said committee or superintendent, shall employ teachers for the same. When established and maintained by precincts composed of sections of adjoining towns, such school shall be under the supervision of the superintending school committees of such towns, who constitute a joint board for that purpose, and under the financial management of the agents of both precincts, who, in connection with said committees, shall employ the teachers.’

Approved April 1, 1921.
