towns and plantations as soon after April first as practicable in order that the taxes may be promptly assessed so that the cities, towns and plantations may receive sufficient revenue for current expenses, and

Whereas, in the opinion of the legislature, these facts render the immediate passage of this act necessary for the preservation of the public peace, health and safety and constitute an emergency within the meaning of the constitution, now therefore,

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. State tax 1921. A tax is hereby assessed for the year one thousand nine hundred and twenty-one upon each city, town, plantation, township and each lot or parcel of land not included in any township in this state.

Sec. 2. Rate. The rate of said tax is hereby fixed at four and one-half mills upon the dollar, of which one cent is for each taxable poll. The valuation as determined by the board of state assessors, as set forth in the statement filed by said board as provided by the revised statutes, chapter nine, section eleven, shall be the basis for the computation and apportionment of the tax hereby assessed.

Sec. 3. Mill tax for war bond sinking fund. In addition to the tax authorized by the foregoing sections, there shall also be assessed for the year one thousand nine hundred and twenty-one upon each city, town, plantation, township, and each lot or parcel of land not included in any township in this state, a tax fixed at one mill upon the dollar, according to the valuation of the state assessors filed as hereinbefore provided, the proceeds of which shall be known as the War Bond Sinking Fund, and shall be used in accordance with an act of this legislature entitled "An Act to provide for a sinking fund for the war bonds and bonus bonds issued by the State of Maine."

Sec. 4. Tax list to be filed with treasurer. On or before April first, nineteen hundred and twenty-one, the state assessors shall file with the state treasurer lists of the taxes provided by the preceding sections.

Sec. 5. State treasurer's tax warrant. The treasurer of this state shall, in the month of April, in the year of our Lord one thousand nine hundred and twenty-one, send his warrant with a copy of the lists named in the preceding section directed to the mayor and aldermen, selectmen or assessors of each city, town or plantation taxed as aforesaid, requiring them respectively to assess, in dollars and cents, the sum so charged, according to the provisions of the law for the assessment of taxes and add

the amount of such tax to the amount of county and town taxes, to be by them assessed in each city, town and plantation or other place respectively.

Sec. 6. Municipal officers' tax warrant. The treasurer of state in his said warrants, shall require the said mayor, and aldermen, selectmen, or assessors respectively to pay or to issue their several warrants requiring the collectors of their several cities, towns and plantations, to collect and pay into the treasury of their respective cities, towns and plantations, the sums against said cities, towns and plantations, required by this act which said respective treasurers shall pay to the state treasurer on or before the first day of December one thousand nine hundred and twenty-one, and said mayor and aldermen, selectmen and assessors, respectively, shall return a certificate of the names of such collectors, with the sums which each collector may be required to collect, to said state treasurer, sometime before the first day of December in the year of our Lord, one thousand nine hundred and twenty-one.

Sec. 7. Delinquent municipalities. When the time for the payment of a state tax to the treasurer of state has expired, and it is unpaid, the treasurer of state shall give notice thereof to the municipal officers of any delinquent city, town or plantation, and unless such tax shall be paid within sixty days the treasurer of state may issue his warrants to the sheriff of the county requiring him to levy, by distress and sale, upon the real and personal property of any of the inhabitants of the town, and the sheriff or his deputies shall execute such warrants, observing the regulations provided for satisfying warrants against deficient collectors, as prescribed by chapter eleven of the revised statutes.

Sec. 8. School funds withheld from delinquent municipalities. When any state tax assessed upon any city, town or plantation remains unpaid, such city, town or plantation is precluded from drawing from the state treasury the school funds set apart for such city, town or plantation, so long as such tax remains unpaid.
