RESOLVES

OF THE

STATE OF MAINE

AS PASSED BY THE EIGHTIETH  
LEGISLATURE

1921

---

---

from July 1, 1921, to July 1, 1922, and the sum of five hundred dollars for the period from July 1, 1922, to July 1, 1923, be and hereby is appropriated, of which two hundred dollars for the year beginning July 1, 1921, and two hundred dollars for the year beginning July 1, 1922, shall be paid to the National Conference of Commissioners on Uniform State Laws, and so much of the balance for each year beginning July 1, 1921, and July 1, 1922, and for the six months period beginning January 1, 1921, as may be necessary shall be paid to the commissioners from Maine for the promotion of uniformity of legislation in the United States for their expenses in attending the National Conference of Commissioners on Uniform State Laws, for drafting and printing reports, postage, and for their other expenses in performing the duties of said office. All as recommended in report of the committee on budget.

**Emergency.** And Whereas the fiscal year of the State of Maine now ends on June thirtieth and no money is available under a regular appropriation for the first six months of the year nineteen hundred and twenty-one, and

Whereas the appropriation for the first six months in nineteen hundred and twenty-one as aforesaid is an emergency measure immediately necessary for the preservation of the public peace, health and safety, therefore be it

**Resolved,** that this resolve shall take effect when approved.

Approved April 9, 1921.

## Chapter 168.

Resolve, for the Construction, Maintenance and Repair of Roads, Bridges and Ferries.

**Third Class Highways, Bridges and Ferries construction, repair and maintenance.** **Resolved:** That there be appropriated the sum of one hundred five thousand eight hundred and fifty dollars for the fiscal period ending June thirtieth, nineteen hundred and twenty-two; and one hundred six thousand dollars for the fiscal period ending June thirtieth, nineteen hundred and twenty-three, to aid in constructing, repairing and maintaining highways, bridges and ferries, hereinafter specified. Provided, however, that no appropriation herein contained shall be available unless the town designated to receive the same shall undertake that all road material, including clay, gravel, sand and rock, necessary for the improvements contemplated by this resolve shall be furnished without expense to the state, and that each town shall assume and pay all damages whatsoever arising from the taking of land or from the change of grade, drainage or alignment deemed by the state highway commission as necessary for said improvement.

## CHAP. 168

The expenditure of all sums of money provided by this resolve shall be under the supervision of the state highway commission.

Any balance of appropriations remaining unexpended at the end of any fiscal period shall be available for use during the ensuing fiscal period.

One-sixth of the mill tax highway fund, in accordance with the provisions of section one of chapter two hundred sixty-three of the public laws of nineteen hundred and nineteen, and, in case of the adoption by the people of the proposed constitutional amendment permitting the use of the proceeds of state highway bonds for the construction of state aid highways, one-ninth of said mill tax fund in accordance with section two of an act of this legislature entitled "An Act to increase the mill tax highway fund and to provide for the method of its application" is hereby appropriated for the purposes of this resolve.
