## Chapter 138.

An Act Relating to the Analysis of Water Used for Domestic Purposes.

*Be it enacted by the People of the State of Maine, as follows:*

**R. S., c. 19; relating to public health, additional.** Chapter nineteen of the revised statutes is hereby amended by adding the following sections:

'**Sec. 125. Persons selling water for domestic purposes may be required to submit samples for examination; sale may be prohibited if polluted.** The state board of health may require any person selling water for domestic purposes to furnish samples thereof for chemical and bacteriological examination and if said water is found to be contaminated, polluted and unfit for domestic use, the state board of health may issue an order prohibiting the transporting, sale, distribution or supplying of such water as long as such contamination, pollution and unfitness remains.

'**Sec. 126. Penalty.** Whoever neglects or refuses to furnish such samples of water, or violates or disobeys any order of said state board of health, shall be punished by a fine of not less than five nor more than fifty dollars, or by imprisonment, for not less than ten nor more than thirty days.'

Approved April 4, 1925.
