It shall be the duty of the treasurer of said corporation to receive all moneys belonging to the corporation and to pay it out only upon the written order or direction of the overseers and to keep a regular account of all moneys received and paid out and to exhibit the same to the overseers whenever requested, and said town of Georgetown shall have the same power to direct the mode of collecting said assessments it has in the collection of the town taxes and said collector shall have the same rights and powers to recover any taxes committed to him under the provisions of this act by suit that he has for the collection of town taxes committed to him and the town of Georgetown shall have the same right to recover taxes assessed under this act by suit that it has to recover town taxes assessed therein. The overseers of said corporation shall determine who are the legal voters at any meeting and shall prepare a list of said voters at least twenty-four hours before every meeting, which said list they may amend or correct at any time before said meeting or during its progress. The vote upon any proposition at any meeting shall be taken and checked by this list upon the demand of five legal voters; provided, however, that every person, who by virtue of a joint ownership of himself and some other person or persons, and by agreement with the other joint owners, is in possession of a certain aliquot part of a lot of land in said territory upon which he has a dwelling house owned and controlled by himself exclusively, shall be deemed a legal voter at any meeting of the corporation at which he is present.
