Whereas, said David M. House through ignorance of the provisions of said act neglected to file his affidavit with said board and receive his certificate, and

Whereas, until complaint recently made, he has continued in this state the practice of optometry, and

Whereas, his ability to so practice is testified to by a large number of reputable people, but his lack of education prevents his passing an examination before said board,

Now, in consideration of the fact that it was only his ignorance of the act that prevented his now being a legal practitioner,

Be it enacted by the People of the State of Maine, as follows:

Certificate of registration in optometry to be issued to David M. House; conditions. David M. House of Milbridge in the county of Washington and state of Maine, may, on or before ninety days from the time this act shall take effect, pay to the treasurer of said board the sum of five dollars and file affidavit in satisfactory proof that he was engaged in the actual and continuous practice of optometry in the state of Maine for three years immediately prior to the time when the act of nineteen hundred and nine authorizing the appointment of the state board of registration and examination in optometry took effect, and thereupon said board shall issue to said David M. House a certificate of registration signed by the president and secretary of the board, authorizing him to practice optometry in this state, and said certificate shall be recorded in the office of the supreme judicial court for the county of Washington, and shall pay said clerk fifty cents for recording the same, and in the absence of the original certificate an attested copy of such record shall be received as evidence in all courts within the state of the right of said David M.
