Chapter 90.

Resolve, Providing for the Appointment of One or More Persons to Represent the State in Certain Proposed Changes in Freight Rates Affecting the People of the State.

Representation at railroad rate hearings. Resolved: That, due to the fact that the state of Maine is interested in, and might be greatly affected by, certain proposed readjustments of freight rates to and from so-called Trunk Line territory, C. F. A. territory, and New England by various railroads, upon which hearings before the interstate commerce commission began February fourth, nineteen hundred and twenty-five, at Washington, D. C.; and that involved in the proposal are certain changes and readjustments, which may materially affect the agricultural, commercial and transportation interests of the state, it is the sense of this legislature that the people of Maine should be specially represented at any and all such hearings by one or more persons from the personnel of the public utilities commission of Maine or its staff competent to protect the mutual interests of all our citizens, and further,

Appointment of representative provided for. Resolved: That the governor, with the advice and consent of the council, be authorized, and are hereby requested, to designate and appoint one or more citizens from the personnel of the public utilities commission of Maine or its staff to attend any and all such hearings upon the above matter, and employ all reasonable means to forward and protect the rights and interests of the state.

Approved April 9, 1925.
