## Chapter 123.

**Preamble.** Whereas, it appears that development of a power project at Grand Falls on the St. John River is in contemplation,

Whereas, the rights and property of the people of the State of Maine will be affected vitally by either partial or complete development thereof,

**Relating to power project on St. John river at Grand Falls.** Now Therefore Be it Resolved by the Senate and House of Representatives of the State of Maine in Legislature assembled as follows:

That, in order that the people of the State of Maine shall receive protection of their rights and a full measure of enjoyment of said River to which they are entitled, the proper authorities of the State shall take such

**CHAP. 123**

action as the circumstances and situation require to protect the interests of the people of the State of Maine in the premises.

And be it further resolved, that it is the sense of this Legislature that the attention of the President of the United States be called to the vacancy apparently existing upon the International Joint Commission and the appointment as soon as may be of a commissioner from Maine, or New England, to fill the vacancy, be respectfully urged.

And be it also resolved, that one copy of these resolutions be prepared by the Secretary of State and forwarded to the President of the United States, one copy to the Secretary of State of the United States, and one copy to each of the Maine Senators at Washington.

Approved April 11, 1925.
