Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Authorized to construct road; subject to approval. Authority is hereby given to lay out, construct and maintain a raised road, subject to the approval of the United States War Department, across the bar between the islands of Deer Isle and Little Deer Isle, in the county of Hancock.

Sec. 2. Appropriation. That there be, and hereby is, appropriated, the sum of fifteen thousand dollars for the laying out and construction of a raised road across the bar between the islands of Deer Isle and Little

Deer Isle, in said county of Hancock; said sum to be expended under the direction of the state highway department.

Approved April 11, 1927.

Chapter 113

An Act to Create the Kennebec Reservoir Company and Define the Powers Thereof.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Corporators; corporate name. Archibald R. Graustein, H. DeForest Lockwood, George S. Williams, Waldo E. Pratt, Garrett Schenck, W. E. Winchester, Fred C. Bagley and Walter S. Wyman, their associates, successors and assigns are hereby made a body corporate under the name of the Kennebec Reservoir Company, with all the rights, powers and privileges hereinafter named.

Sec. 2. Capital stock. Said corporation is authorized and empowered to fix the amount of its capital stock, and the classes thereof, and to increase the same from time to time, not exceeding, however, in the aggregate two million dollars.

Sec. 3. Authorized to build dams and other structures. Said corporation is hereby authorized and empowered to build dams and other necessary works and structures on Dead river, at or near the head of Long Falls, near the southeasterly corner of township three, range four, in the county of Somerset, for the purposes of creating storage basins and reservoirs to retain and control the waters of Dead river and the tributaries thereof, thereby increasing and making more constant the flow of water in the Kennebec river, for use at all seasons of the year for manufacturing and power purposes on said Kennebec river and for facilitating the driving of logs and lumber on Dead river. And in order to facilitate the driving of logs and lumber down said Dead river without unnecessary waste of water, said corporation is authorized to build and maintain dams, side dams, sheer booms, remove rocks, make embankments and other improvements on said Dead river from the location of its reservoir dams to its union with the Kennebec river.

Sec. 4. Water storage authorized; may make reasonable rules and regulations. Said corporation is authorized by means of its said works to hold, store and retain said waters in any reservoir or storage basin so created, and to discharge and release the same and control the volume and flow thereof for the uses and purposes and subject to the restrictions afore-
