Chapter 216.

Resolve, for Screening Certain Lakes and Ponds in the State.

Screening lakes and ponds. Resolved: That the sum of six thousand one hundred and twenty-five dollars be, and hereby is, appropriated, to be taken from the appropriation for the maintenance of the department of inland fisheries and game, to be expended by the commissioner of inland fisheries and game, to aid in screening the following named lakes and ponds. Provided, however, that no appropriation hereafter specified for the erection of a screen at the outlet of a lake or pond shall be available until some responsible corporation, or incorporated fish and game club, or the town in which the outlet of the lake or pond to be screened is situated, or some other town in the county in which said waters are situated, shall have, in legal town meeting, and having an article in the warrant for said town meeting for that purpose, by vote of record, voted to assume

all liability for the keeping of said screen at all times free from sticks, leaves and all debris, so that the same will not become clogged and prevent the free running of water through the same, and provided, further, that said appropriation shall not be available until the citizens of the county in which said lake or pond to be screened is situated, shall have paid into the state treasury the balance necessary, as found by the commissioner of inland fisheries and game, to erect said screen; and provided, further, if the actual cost of any screen provided for in this resolve is less than the amount appropriated therefor, the state shall be liable for only one-half of the cost of such screen. Any appropriation hereinafter named, or part thereof, not expended during the year nineteen hundred and twenty-seven shall be available during the year nineteen hundred and twenty-eight.

For screening Emlden pond , in the county of Somerset, one thousand dollars,	\$1,000.00
