when filled out shall be forwarded to the office of said director together with fees for same, which fee shall be one dollar for any license or for any renewal thereof. All licenses shall expire annually on the last day of June unless sooner revoked as provided in section twenty. The director, in his biennial report, shall state the number of licenses granted. He shall issue to each person, firm or corporation licensed as aforesaid a certificate, stating the name of the person, firm or corporation to whom such license shall be granted, the number of said license and the date of the expiration thereof.'

Approved April 4, 1929.

Chapter 213.

An Act to Make Uniform the Method of Computing Interest on Savings Accounts in Trust Companies, Savings Banks, and National Banks.

Be it enacted by the People of the State of Maine, as follows:

Computing dividends on savings deposits made uniform. Trust companies and savings banks organized under the laws of Maine, and national banks, shall, in computing dividends on savings deposits, figure interest on the balance that has remained on deposit for the full dividend period, with additions for all deposits, less the withdrawals remaining in the bank from their respective monthly dates, to the dividend date. Withdrawals shall be deducted from the last deposit made in each case. Deposits made on other than the first day of each month, may draw interest from the first or last day of the month or from date of deposit, as the bank shall determine.

Approved April 4, 1929.

Chapter 214.

An Act Relative to the Extermination of Mosquitoes.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Commissioner of department of health directed to use methods to exterminate mosquitoes. The commissioner of the state department of health is hereby authorized and directed to use all lawful methods for the extermination of mosquitoes and prevention of their breeding. In cooperation with the state entomologist he is authorized to carry on such investigation of mosquito life-history and control and of the prevalence of mosquito breeding places in this state and particularly in any locality when so requested by the local health officer as will in his judgment furnish information necessary to the successful carrying on of mosquito extermination by any agency within the state. It shall also be the duty of said
