Chapter 113.

Resolve, Appropriating Money to Aid in the Screening of the Outlet of Lake Messalonskee, in the Town of Oakland, in the County of Kennebec.

Screening of outlet of Lake Messalonskee, appropriation for; conditions. Resolved: That the sum of two thousand dollars be and hereby is appropriated, to be taken from the appropriation for the maintenance of the department of inland fisheries and game, to be expended by the commissioner of inland fisheries and game, to aid in screening Messalonskee lake, at the outlet, in the town of Oakland. Provided, however, that said appropriation for the erection of said screen shall not be available until some responsible corporation or incorporated fish and game club, or the town in which said outlet is located, or some other town in the county of Kennebec, in which said waters are situated, shall have in legal town meeting, and having an article in the warrant for said town meeting for that purpose, by vote of record, voted to assume all liability for the keeping of said screen at all times free from sticks, leaves and all debris so that the same will not become clogged and prevent the free running of water through the same. And provided further that said appropriation

shall not be available until the citizens of the county in which said lake is situated shall have paid into the state treasury the balance found necessary by the commissioner of inland fisheries and game to erect said screen. And provided, further, that if the actual cost of said screen provided for in this resolve is less than the amount appropriated therefor, the state shall be liable for only one-half of the cost of such screen. Any part of said appropriation not expended in the year nineteen hundred and twenty-nine shall be available during the year nineteen hundred and thirty.

Approved April 9, 1929.

Chapter 114.

Resolve, Appropriating Money to Aid in the Screening of the Outlet of Lower Wilson Pond in the Town of Greenville, in the County of Piscataquis.

Screening of outlet of Lower Wilson pond, appropriation for; conditions.

Resolved: That the sum of eight hundred dollars be and hereby is appropriated, to be taken from the appropriation for the maintenance of the department of inland fisheries and game, to be expended by the commissioner of inland fisheries and game, to aid in screening the outlet of Lower Wilson pond, in Piscataquis county. Provided, however, that said appropriation for the erection of said screen shall not be available until some responsible corporation or incorporated fish and game club, or the town in which said outlet is located, or some other town in the county of Piscataquis, in which said waters are situated, shall have in legal town meeting, and having an article in the warrant for said town meeting for that purpose, by vote of record, voted to assume all liability for the keeping of said screen at all times free from sticks, leaves and all debris so that the same will not become clogged and prevent the free running of water through the same. And provided, further, that said appropriation shall not be available until the citizens of the county in which said pond is situated shall have paid into the state treasury the balance found necessary by the commissioner of inland fisheries and game to erect said screen. And provided, further, that if the actual cost of said screen provided for in this resolve is less than the amount appropriated therefor, the state shall be liable for only one-half of the cost of such screen. Any part of said appropriation not expended in the year nineteen hundred and twenty-nine shall be available during the year nineteen hundred and thirty.

Approved April 9, 1929.
