'Sec. 13. No license to any person under 16 years of age. Every person employed as master, pilot, engineer, or operator on any vessel subject to the provisions of this chapter, shall be examined by the commission as to his qualifications, and if satisfied therewith it shall grant him a license for the office, which license shall expire on the last day of the calendar year in which it is issued, unless sooner revoked by the commission for intemperance, incompetency, or wilful violation of duty. Said license shall be framed under glass and posted in some conspicuous place on board such vessel. Any master, pilot, engineer, or operator who holds a license to navigate any such vessel may under such license be employed on any other vessel owned or navigated upon inland waters within this state.
