an application for a branch or agency as he deems proper. No trust company shall be permitted to establish a branch or agency except in its own or an adjoining county, provided, however, that this limitation shall not prevent a trust company having a paid-in and unimpaired capital stock of not less than \$500,000 from establishing a branch or agency in any city, town or village where there is no state bank regularly transacting customary banking business or where a unit bank or branch of another bank is taken over. If granted, the bank commissioner shall issue his warrant in duplicate, one copy to be delivered to the trust company, and the other to the secretary of state for record. The company shall within 10 days after opening said branch or agency, file a certificate thereof, signed by its president and treasurer, with the bank commissioner. The right to open a branch or agency shall lapse in 1 year from the date of filing the commissioner's warrant with the secretary of state, unless the same shall have been opened and business actually begun in good faith. No application for permission to open such branch or agency shall be acted upon until the petitioning company shall have paid to the treasurer of state the sum of \$50 for the benefit of the state, to be credited and used as provided in section 68.

Any such branch or agency may be closed or discontinued by vote of the stockholders of the company, with consent of the bank commissioner, after such notice and hearing, if any, as in his judgment the public interest may require.'

Approved March 8, 1933.
