AN ACT to Protect the Propagation and Cultivation of Quahaugs.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. General provisions. Upon application in writing, the commissioner of sea and shore fisheries shall grant a written license to any owner of tide flats, other than those used as public bathing beaches, for the purpose of cultivating and propagating quahaugs upon not more than 5 acres of said flats between high and low water mark within the limits to be specified in the license for a term of 10 years. All such licenses shall be subject to such rules and regulations as are approved by the commissioner of sea and shore fisheries. The same may not be assigned, except as hereinafter provided.

Sec. 2. Notice of hearing for granting license. No license shall be granted if the exercise thereof would materially obstruct navigable water.
