The amount of said fines to be recovered for such use as said by-laws, regulations or ordinances shall provide.

ARTICLE 2.

Sec. 1. Administration of city affairs. The administration of all fiscal, prudential and municipal affairs of said city with the government thereof shall be vested in an officer, to be called the mayor, and 1 council of 7, to be denominated a board of aldermen; all of whom shall be inhabitants of said city and legal voters therein. Said mayor and aldermen shall constitute the city council, and shall be sworn, or affirmed, for the faithful discharge of their duties.

ARTICLE 3.

Sec. 1. The mayor; powers; duties. The mayor of said city shall be the chief executive magistrate thereof. It shall be his duty to be vigilant and active in causing the laws and regulations of the city to be executed and enforced, to exercise a general supervision over the conduct of all subordinate officers and to cause their violations or neglect of duty to be punished. He shall from time to time, communicate to the city

CHAP. 56

council, such information, and recommend such measures as the business and interest of the city may, in his opinion, require. He shall preside at the meetings of the city council, but shall have only a casting vote. The mayor, shall in the month of February, annually, prepare and lay before the city council an estimate of the amount of money necessary to be raised for the ensuing financial year, under the various heads of appropriation, and the ways and means of raising the same; and shall also, in the month of February, annually prepare and lay before the city council a statement of all the receipts and expenditures of the preceding financial year, giving in detail the amount of expenditures for each department; and said statement shall be accompanied with a schedule of the property, real and personal, belonging to the city, and the value thereof, and amount of city debt. After the city council has legally voted on behalf of the city to enter into any contract, lease, or agreement, it shall be the mayor's duty, and he shall have full power and authority, to sign and affix the corporate seal of the city to all such contracts, leases, or agreements in the city's behalf.

At any election in which no assessor is to be elected to serve as executive secretary, that portion of the foregoing form of ballot designed for the election of such assessor shall be omitted.

ARTICLE 8.

Sec. 1. General laws of state relating to elections to apply when not otherwise provided herein. The provisions of the laws of the state of Maine relating to the qualifications of electors, registrations, the manner of voting, the duties of election officers, and all other particulars in respect to preparation for, conducting and management of elections, so far as they may be applicable, shall govern all municipal elections of South Portland, except as otherwise provided in this charter.

ARTICLE 9.

Sec. 1. Vacancy on board of aldermen; how filled. In the event of a vacancy on the board of aldermen, the remaining members of the board shall by a majority vote, elect a duly qualified person, residing in the ward unrepresented by reason of the vacancy, to fill the vacancy for the remainder of the unexpired term.

ARTICLE 10.

Sec. 1. Removal of mayor by recall; preparation and filing of recall petitions. The mayor may be recalled and removed from office by the electors of the city as herein provided. Any voter of the city may make

and file with the city clerk an affidavit containing the name of the mayor whose removal is sought, and a general statement of the reason why his removal is desired. The clerk shall thereupon deliver to the voter making such affidavit copies of petition blanks for such removal printed forms of which he shall keep on hand. Such blanks shall be issued by the clerk with his signature and official seal thereto attached; they shall be dated and addressed to the city council, shall contain the name of the persons to whom issued, the number of blanks so issued, and the name of the mayor whose removal is sought. A copy of the petition shall be entered in a record book to be kept in the office of the city clerk. The recall petition, to be effective, must be returned and filed with the city clerk within 45 days after the filing of the affidavit. The petition before being returned and filed shall be signed by voters of the city to the number of at least 20% of the number of registered voters as determined at the time of the last preceding regular municipal election and to every such signature shall be added the place of residence of the signer, giving the street and number or other description sufficient to identify the place. Such signatures need not all be on 1 paper but the circulator of every such paper shall make an affidavit that each signature appended to the paper is the genuine signature of the person whose name it purports to be. All such recall papers shall be filed as one instrument, with the endorsements thereon of the names and addresses of 3 persons designated as filing the same.

Sec. 2. Examination and amendment of recall petitions. Within 10 days after the filing of the petition the city clerk shall ascertain whether or not the petition is signed by the requisite number of voters and shall attach thereto his certificate showing the result of such examination. If his certificate shows the petition to be insufficient, he shall forthwith so notify in writing 1 or more of the persons designated on the petition as filing the same; and the petition may be amended at any time within the 10 days after the giving of said notice, by the filing of a supplementary petition upon additional papers, issued, signed and filed as provided herein for the original petition. The city clerk shall, within 10 days after such amendment, make like examination of the amended petition, and attach thereto his certificate of the result. If then found to be insufficient, or if no amendment was made, he shall file the petition in his office and shall notify each of the persons designated thereon as filing it of the fact. In the event that said petition is finally determined to be insufficient the filing of a new petition for the same purpose shall not be prejudiced thereby.

Sec. 3. Calling of recall election. If the petition or amended petition shall be certified by the city clerk to be sufficient he shall submit the same

CHAP. 56

with his certificate to the city council at its next meeting and shall notify the mayor whose removal is sought of such action. The city council shall thereupon, within 10 days of the receipt of the city clerk's certificate, order an election to be held not less than 40 nor more than 60 days thereafter; provided, that if a regular municipal election is to occur within 90 days after the receipt of said certificate, the city council may in its discretion provide for the holding of the removal election on the date of such other municipal election. The removal election shall be called and held as other elections under this charter except for the specific limitations of this section.

Sec. 4. Form of ballot in recall election. Unless the mayor whose removal is sought shall have resigned within 10 days after the receipt by the city council of the city clerk's certificate, the form of the ballot at such election shall be as nearly as may be: "Shall A, the mayor, be recalled?" the name of the mayor whose recall is sought being inserted in place of A. In case a majority of those voting for and against the recall of mayor shall vote in favor of recalling such official he shall be thereby removed, and the chairman of the city council shall fill the vacancy until a successor to the office of mayor is duly elected and qualified as herein-after provided. If the mayor sought to be removed shall have resigned within 10 days after the receipt by the city council of the city clerk's certificate referred to in section 3 of this article no recall election shall be necessary as a vacancy in the office of mayor shall be declared.

Sec. 5. Procedure or refusal of city council. Should the city council fail or refuse to order an election as herein provided, such election may be ordered by any justice of the supreme judicial court.

ARTICLE II.

Sec. 1. Aldermen and members of board of education to receive no salary; may hold no other city office; boards to expend public money only for purpose for which appropriated; but city council may transfer unexpended balance. The aldermen, or members of the board of education, shall not be entitled to receive any salary or other compensation during the term for which they are elected, nor be eligible to any office of profit or emolument, the salary of which is payable by the city, and all departments, boards, offices and committees, acting under the authority of the city, and intrusted with the expenditure of public money, shall expend the same for no other purpose than that for which it is appropriated, and shall be accountable therefor to the city in such manner as the city shall direct. Nothing herein contained shall prevent the city council from transferring an unexpended balance in the account of any department, board, office or

committee to the account of any other department, board, office or committee of the city.

ARTICLE 12.

Sec. 1. No officer of the city to be interested in contract with the city; "officer of the city" defined. Neither the mayor, members of the board of aldermen, or any officer of the city, shall be interested, either directly or indirectly, in any contract or agreement to which the city is a party. Any officer of the city shall mean, any person elected or appointed to an office of the city.

ARTICLE 13.

Sec. 1. City council may remove city officials when guilty of gross abuse or grossly incompetent; procedure. The city council shall have power to remove from office any city official, or any member of any board or department established or provided for by or under this charter except the members of the board of education, the mayor and superintendent of schools, when in the exercise of their discretion, after notice as hereinafter provided, and upon public hearing, they shall deem him guilty of gross abuse of said office or grossly incompetent to perform the duties thereof. Upon presentation of a petition in writing signed by any alderman setting forth specific charges against such official or member of such board or department and requesting his removal, the council shall immediately order a hearing thereon. Said petition and order shall be served on said official by any officer qualified to serve civil process in the city of South Portland, by giving to him in hand or by leaving at his last and usual place of abode an attested copy thereof at least 10 days, exclusive of Sundays, before the time set for said hearing. Removal shall be by 2/3 vote of the members present and voting. The person for whose removal said petition is brought, if a member of the council, shall not be entitled to vote at said hearing. It shall be the duty of the corporation counsel to prosecute the charges at said hearing, unless the petition is brought for his removal in which event the city council shall appoint some other suitable person to prosecute said charges. Any justice of the peace shall have authority to issue subpoenas and to compel the attendance of witnesses at said hearing upon the application of either party to said proceeding.

ARTICLE 14.

Sec. 1. Executive secretary of board of assessors. At the 1st municipal election under this act, and at the regular municipal election in every 3rd year thereafter, the qualified voters of the city of South Portland shall elect an assessor, who shall be known as the executive secretary of the board of assessors. He shall serve for a term of 3 years, and it shall be his duty to be in attendance at the assessors' office during the regular hours of every

CHAP. 56

business day (except when doing assessors' work at the registry of deeds, or elsewhere), to exercise general supervision over the office work of the department, and to perform such duties in connection with the department as may be necessary in the absence of the other members from the office.

Sec. 2. Other assessors. At the 1st municipal election under this act, the voters shall in addition elect 2 assessors, one of whom shall serve for a term of 2 years and the other for a term of 1 year. The names of candidates for said 2 offices shall appear upon the ballot in a space provided for the purpose, separate and distinct from the place allotted to the candidates for executive secretary. The 2 candidates for said 2 offices of assessor who shall receive the largest number of votes shall be deemed to be elected as such assessors. The board of assessors shall organize annually after the newly elected member or members take office and shall elect from their number a chairman of said board to preside at the meetings thereof. Upon the organization of the 1st board of assessors elected under this charter it shall be determined by lot or by agreement which of said 2 assessors shall serve for a term of 2 years and which for 1 year. The executive secretary shall communicate the result of said drawing by lot, or agreement, to the city clerk in writing, who shall file said communication in the records of the city. Thereafter, on the expiration of the term of any member of the board of assessors, the voters shall elect an assessor for a 3-year term. Each assessor shall continue in office until his successor shall have been elected and shall have qualified in his place.

Sec. 3. Duties and salaries of assessors. The 3 assessors comprising the board shall perform the duties prescribed for assessors by the laws of the state. The city council shall fix the salary of each member of the board of assessors, having regard for the duties to be performed by each. The members of said board shall be sworn or affirmed to the faithful performance of their duties.

Sec. 4. Assistant assessors. The city council may elect an assistant assessor from each ward, whose duty it shall be to furnish the assessors with all necessary information relative to persons and property taxable in his ward. He shall be sworn or affirmed to the faithful performance of his duties. All taxes shall be taxed, apportioned and collected in the manner prescribed by the laws of the state, except as herein modified; and the city council may establish further provision for the collection of said taxes and of the interest thereon.

Sec. 5. Filling vacancy on board of assessors. In the event of a vacancy on the board of assessors caused by the death, resignation or removal of any member thereof, the city council shall elect a suitable person, who shall be a resident of South Portland, to fill the vacancy until the next regular

municipal election, when the voters shall elect an assessor to serve for the remainder, if any, of the unexpired term. If the vacancy occurs by reason of the death, resignation, or removal of the executive secretary, the person elected by the city council to fill said vacancy shall serve as such executive secretary, until the place is filled at the next regular municipal election.

ARTICLE 15.

Sec. 1. Board of education; how elected; powers and duties; removal of members; superintendent of schools; his election powers, duties and removal. The board of education shall consist of 7 members, one to be elected from each of the 7 wards. At their 1st meeting after their election under the provisions of this charter, they shall designate by lot 3 of their number to hold office for 3 years, 3 for 2 years and 1 for 1 year. The result of such drawing by lot shall be communicated in writing to the city clerk. Each member elected thereafter to fill the place of one whose term expires shall hold office 3 years. They shall fill all vacancies in their number for the remainder of the unexpired term. The board shall have power to remove its own members under the same procedure and for the same cause as is herein provided for the removal of other city officials. For this purpose the same powers hereinbefore vested in the board of aldermen are hereby conferred upon the board of education. It shall be the duty of the corporation counsel to prosecute the charges at said hearing. A majority of the board shall constitute a quorum for the transaction of business. They shall have all the powers and perform all the duties in regard to the care and management of the public schools of said city, which are conferred upon the superintending school committee by the laws of this state, including the employment of teachers and janitors, custody and care, including repairs and insurance, on school buildings, of all school property. They shall elect annually, or for a term not exceeding 3 years, a superintendent of schools, who shall not be a member of the board, who shall have the care and supervision of said public schools under their direction, and act as secretary of their board. The board shall fix the superintendent's salary at the time he is elected, for the term for which he is elected, and the term for which he is elected shall, in all cases, end with the 30th of June of the year in which the contract expires. Provided, however, that said board, after due notice and investigation, may discharge its superintendent for cause before the expiration of the term for which he was elected. Said board shall annually, at the 1st meeting of the city council of the new municipal year, submit to the city council a detailed budget indicating the amount of money required during the ensuing year for the support of the said public schools. Such sum as the city council shall appropriate for the public schools shall be appropriated as a whole and the board of

CHAP. 56

education shall not increase the expenditure beyond this appropriation. The mayor shall be, ex officio, chairman of the board of education, but shall have no vote unless the members present and voting be equally divided.

ARTICLE 16.

Sec. 1. City council; its organization; permanent chairman to fill vacancy in mayor's office until new mayor elected. After the organization of the city government and the qualification of the mayor, and when a quorum of the city council shall be present, said board, the mayor presiding, shall proceed to choose a permanent chairman, who in the absence of the mayor, shall preside at all meetings of the board. In case of any vacancy in the office of mayor, caused by death, resignation, recall or otherwise, the vacancy shall be filled at the next regular municipal election. The permanent chairman of said board shall exercise all the power and perform all the duties of the office until a mayor is elected and until he has duly qualified on the 1st day of January following his election; during that period said chairman shall cease to be a member of the board of aldermen; the vacancy thereby created in the board of aldermen, as a result of said chairman filling the vacancy of the mayor, shall be filled as hereinbefore provided for filling all vacancies on the board of aldermen. In the event that the term of office of the mayor originally elected shall not expire until the end of the year following the next regular municipal election, the person so elected to the office of mayor shall be elected to serve only for the remainder of the unexpired term; otherwise he shall be elected for a term of 2 years.

ARTICLE 17.

Sec. 1. Powers and duties of city council; laying out and altering streets and ways; acts to be presented to mayor for signature. The city council shall secure a prompt and just accountability by requiring bonds with sufficient penalty and surety or sureties, from all persons trusted with the receipt, custody or disbursement of money; the city council shall also have the care and superintendence of the city buildings, and the custody and management of all city property, (schools excepted) and trust funds for the benefit of schools, public library, parks, cemeteries and for any other beneficial purpose whether acquired by purchase or legacy; with power to let or sell what may be legally let or sold, and to purchase and take, in the name of the city, real and personal property for municipal purposes; and the city council may provide by ordinance for the regulation of all existing and future cemeteries and burial grounds within the city limits and may by ordinance prohibit the burial of bodies within certain restricted and defined zones; and shall, as often as once a year, cause to be published for the information of the inhabitants, a particular account of the receipts

and expenditures and a schedule of the city property and the city debt. The city shall have the power to establish by ordinance such officers as may be necessary for municipal government not provided for by this act, and to elect such subordinate officers as may be elected by cities under general laws of the state for whose election or appointment other provision is not made; to define their duties and fix their compensation; to act upon all matters in which authority is now given to said city of South Portland, and to determine what streets, if any, shall be lighted and upon what terms. The city council shall appropriate annually the amount necessary to meet the expenditures of the city for the current municipal year. The city shall have exclusive authority to lay out, widen or otherwise alter or discontinue any and all streets or public ways in said city, and as far as extreme low water marks, and to estimate all damages sustained by owners of land taken for such purpose. A committee of the council shall be appointed whose duty shall be to lay out, alter, widen or discontinue any street or way, first giving notice of the time and place of their proceedings to all parties interested, by an advertisement in 1 newspaper, printed in South Portland or Portland, once a week for 3 weeks at least, next previous to the time appointed. The committee shall first hear all parties interested, and then determine and adjudge whether the public convenience requires such street or way to be laid out, altered or discontinued, and shall make a written return of their proceedings, signed by a majority of them, containing the bounds and descriptions of the street or way, if laid out or altered, and the names of the owners of the land taken, when known and the damages allowed therefor; the return shall be filed in the city clerk's office at least 7 days previous to its acceptance by the city council. The street or way shall not be altered or established until the report is accepted by the city council. And the report so filed shall not be altered or amended before it comes up before the city council for action. A street or way shall not be discontinued by the city council, except upon the report of said committee. The committee shall estimate and report the damages sustained by the owners of the lands adjoining that portion of the street or way which is so discontinued; their report shall be filed with the city clerk 7 days at least before its acceptance. Any party aggrieved by their decision may appeal therefrom as provided by law in the case of city ways. If a street or way is discontinued before the damages are paid or recovered for the land taken, the land owners shall not be entitled to recover such damages but the committee in their report discontinuing the same shall estimate and include all the damages sustained by the land owner, including those caused by the original location of the streets; and in such cases, if any appeal has been regularly taken, the appellant shall recover his costs. The city shall not be compelled to construct or open any street or way thus hereafter established, until in

CHAP. 56

the opinion of the city council the public good requires it to be done; nor shall the city interfere with possession of the land so taken by removing therefrom materials or otherwise, until they decide to open said street. The city council may regulate the height and width of the sidewalks in any public square, places, streets, lanes or alleys in said city, and may authorize hydrants, drinking fountains, posts and trees to be placed along the edge of the sidewalks, and may locate culverts and reservoirs within the limits of any street or way in said city, whenever they deem it needful. Every law, act, ordinance, resolve or order of the city council excepting rules and orders of a parliamentary character, shall be presented to the mayor.
