Chapter 166.

AN ACT Relative to Bounty on Bears.

Be it enacted by the People of the State of Maine, as follows:

R. S., c. 38, § 79, repealed. Section 79 of chapter 38 of the revised statutes is hereby repealed and the following enacted in place thereof:

'Sec. 79. **Bounty on bears.** When bears are destroying sheep, cattle or any other kind of valuable domestic animals in any town, plantation or unincorporated place, the assessors of such town or plantation, may petition the commissioner of inland fisheries and game to place a bounty on bears killed within such town or plantation or in any adjoining town, plantation or unincorporated place or places, and in the case of unincorporated places, a similar petition may be filed by the assessors of any adjoining town or of the nearest incorporated town where there are none adjoining, to place a bounty on bears killed within such unincorporated place. Upon receipt of the petition from the assessors, the commissioner of inland fisheries and game shall give due notice and hold a hearing. If the evidence given at such hearing discloses that damage to valuable domestic animals is being caused by bears and is apt to continue, the commissioner shall authorize such bounty to be paid as hereinafter set forth, which shall continue in full force until the commissioner after due notice and hearing shall annul such authorization.

A bounty of \$20 for each and every bear killed in said towns or plantations shall be paid to persons killing the same, provided said persons have complied with all the provisions of this section. These bounties shall be paid by the treasurers of said towns or plantations.

No bounty shall be paid unless the claimant within 24 hours after he has killed such animal exhibits to the town treasurer the entire skin thereof or the entire animal for the killing of which such bounty is claimed, and sign

a certificate under oath, which said treasurer may administer, stating that he killed such animal and the time and place within the state. Such certificate must be approved by and bear the signature of the fish and game warden or chief warden in whose district the animal was killed stating that he believes the bear to have been killed at the time and place stated therein and that a bounty had been declared on bears killed in that place. The skin of all bears on which bounty is claimed must be stamped and sealed by the warden or chief warden in whose district the same was killed, with implements provided by the commissioner of inland fisheries and game. The town treasurer shall then pay the bounty and take the claimant's receipt therefor upon the same paper with such certificates and the town treasurer shall make upon the same paper, at the time of his monthly report, a certificate under oath addressed to the treasurer of state, that all the requirements of law have been met by the claimant and that the bounty has been paid to him. Said certificates and receipts shall be transmitted to the treasurer of state monthly, and by him presented to the governor and council as early as convenient, and when allowed by them shall be paid by the treasurer of state.

The certificate shall be in the following form :

Chapter 167.

AN ACT Relative to the Planting of Fish in Inland Waters.

Be it enacted by the People of the State of Maine, as follows:

R. S., c. 38, additional. Chapter 38 of the revised statutes is hereby amended by adding thereto a new section, to be numbered 36-A, and to read as follows:

'Sec. 36-A. Planting of fish in inland waters. No person, firm, corporation, department head or employee of the state of Maine shall deposit or plant any fish or fish spawn obtained from or raised by the state of Maine or the federal government in any brook, stream or river of this state within a distance of 5 miles down stream of any saw mill, wood working plant or factory, which deposits in said inland waters, or on the banks thereof, in such manner that the same may fall or be washed into said waters, any slabs, edgings, sawdust, chips, bark, mill waste, shavings or fibrous materials created in the manufacture of lumber or other wood products, or so deposit any oil regardless of its source.'

Approved April 6, 1935.
