## Chapter 7.

### RESOLVE, Relating to the Taking of Alewives from the Bagaduce River.

**Emergency preamble.** Whereas, there is no competent law regulating the taking of alewives from the waters of the Walkers pond branch of the Bagaduce river, and

Whereas, the uncontrolled taking of these fish from these waters threatens to render them extinct at an early date and thereby deprive the inhabitants of the surrounding territory of a valuable source of food supply, and

Whereas, in the judgment of the legislature these facts create an emergency within the meaning of section 16 of Article XXXI of the constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

**Taking of alewives in Bagaduce river regulated. Resolved:** That the commissioner of sea and shore fisheries is hereby directed to issue the following rule and regulation:

“The entire control and authority over the taking of alewives from the waters of the Walkers pond branch of the Bagaduce river for a distance of 500 yards down stream from the fishway on outlet of the said Walkers pond, is hereby granted to the inhabitants of the town of Brooksville. Said town, may at any legal town meeting, by articles duly inserted in the warrant for that purpose, control the same through the selectmen or any committee appointed for that purpose. The right to take alewives therefrom may be sold by the selectmen or committee and they may make such disposition of the right to take alewives in said stream as it is deemed most expedient for said town and regulate the times during which, the places where and the manner in which said alewives may be taken. Any person,
