Real estate, for the purpose of this act shall bear the same definition as given in section 3 of chapter 13 of the revised statutes.

The treasurer of said sewer district shall have the authority and power to collect said sewer rates, and all rates shall be committed to him.

After the expiration of said 10 days and within 10 days thereafter, in the case of a resident, and in all other cases within a year from the date of commitment of said rate to said officer, said officer shall record in the registry of deeds of the county, or registry district, where said real estate is situated, a certificate signed by the said officer setting forth the amount of such rate, a description of the real estate on which the rate is assessed and an allegation that a lien is claimed on said real estate to secure the payment of said rate, that a demand for payment of said rate has been made in accordance with the provisions of this act and that said rate remains unpaid. In all cases, except in the case of a resident, said certificate so filed need not contain the allegation that payment of the rate has been demanded. At the time of the recording of the certificate in the registry of deeds as herein provided, in all cases such officer shall file in the office of said sewer district a true copy of said certificate and also at the time of recording as aforesaid, the said officer shall mail by registered letter to each record holder of a mortgage on said real estate, addressed to him at his last and usual place of abode, a true copy of said certificate. The fee to be charged to the rate-payer for such notice and filing shall not exceed \$1 and the fee to be charged by the register of deed for such filing shall not exceed 50c.

Filing of certificate to create mortgage. The filing of the aforesaid certificate, in the registry of deeds as aforesaid shall be deemed to create and shall create a mortgage on said real estate to the said sewer district in which the real estate is situated having priority over all other mortgages, liens, attachments and encumbrances of any nature, except liens, attachments and claims for taxes, and shall give to said sewer district all the rights usually incident to a mortgagee, except that the mortgagee shall not have any right of possession of said real estate until the right of redemption herein provided for shall have expired.

Notice. The filing of said certificate in said registry of deeds shall be sufficient notice of the existence of the mortgage herein provided for.

Discharge. In the event that said rate, interest and costs shall be paid within the period of redemption herein provided for, the treasurer of said sewer district shall discharge said mortgage in the same manner as is now provided for discharge of real estate mortgages.

Said rates shall be so established as to provide revenue for the following purposes:

1. To pay the current running expenses of the district including maintenance and provision for depreciation.
2. To provide for payment of interest on the indebtedness of the district.
3. To provide each year a sum equal to not less than 1% nor more than 5% of the entire indebtedness of the district, which sum shall be turned into a sinking fund to provide for the final extinguishment of the debt. The money so set aside shall be devoted to the retirement of the obligations of the district, or invested in securities lawful for savings banks. Provided, however, that the trustees may, in their discretion and in lieu of the establishment of a sinking fund, issue bonds of the district so that not less than 1% of the amount of the bonds so issued shall mature and be retired annually.'

Sec. 14. Incidental powers granted. Said district is hereby vested with all incidental powers, rights and privileges necessary to the accomplishment of the main objects of this act.
