RESOLVES

OF THE

STATE OF MAINE

As Passed by the Eighty-Eighth Legislature

1937

the governor; and 4 citizens of the state, representing respectively, agriculture and the rural elements, industry, automobile owners, and recreational groups, to be appointed by the governor; and that the members of the state highway commission and the chief engineer by virtue of their offices shall be members thereof; and be it further

Resolved: That the committee shall have full power and authority, and it shall be its duty, to make a study of the highway traffic needs and requirements as developed through the aforementioned planning survey, and to formulate and present to the 89th legislature or to any special session of the 88th legislature, if the work has been completed at that time, for approval, a rational highway program or road building plan, and to recommend means of financing the same based on the state's financial ability to build and maintain; and be it further

Resolved: That said committee shall make a thorough study of economic and practical problems, such as new locations for avoiding congested areas, the development and improvement of third-class or farm-to-market roads, and the design, construction and reconstruction and regulation of public streets, ways and paths, including systematic all-year maintenance and snow removal, together with recommendations on any other subjects relevant in the premises; and be it further

Resolved: That in making studies, examinations, investigations and compilations requiring engineering, clerical and stenographic services, the committee shall with the consent of the state highway commission utilize such employees and facilities of that department as may be necessary; and be it further

Resolved: That said committee shall hold public hearings within the state from time to time as its work progresses or circumstances make advisable; and be it further

Resolved: That the members of said committee shall receive no compensation for their services, but shall be paid their actual and necessary expenses incurred in the performance of their duties, said expenses to be approved by the governor and council and paid out of general highway funds.

Approved April 21, 1937.
