Inland Fish and Game Laws

Being chapter 38 of the Revised Statutes of 1930, as amended by the public laws of 1931, 1933, 1935 and 1937; compiled and published by the Revisor of Statutes in accordance with the provisions of chapter 104 of the public laws of 1931.

Foreword

This revision of chapter 38 of the Revised Statutes of 1930 is issued in compliance with the provisions of chapter 104 of the public laws of 1931, § 109-A, herein.

As in the first biennial revision, the former section numbers are retained, and any new sections are given new numbers. For example, a new section to be placed between old sections 9 and 10 is numbered § 9-A. This prevents the confusion that always arises when section numbers are changed.

Some of the former sections have been repealed. This is indicated by footnotes.

The commissioner of inland fisheries and game, hereinafter designated as "the commissioner," shall have general supervision of the administration and enforcement of the inland fish and game laws. Under his direction his deputy shall assist him in the performance of his duties, particularly in field work and including the inspection of hatcheries and similar property, and in supervision of wardens and inspection of warden service. The commissioner shall have an office at the state capitol and adequate facilities for the transaction of the business of his department which shall be known as the department of inland fisheries and game, hereinafter designated as "the department." He may take for scientific purposes fish and game, and may introduce the same into the state and authorize others so to do.

The commissioner shall establish a fishway patrol from the Bangor Dam, north, on the Penobscot river, when said fishways shall have been rebuilt and put in a usable condition.

Sec. 3. Commissioner may continue rules and regulations; penalty for violation thereof. 1929, c. 332. 1933, c. 179. 1935, c. 12. All rules and regulations of the commissioner of inland fisheries and game now in effect or hereafter promulgated shall remain in force until changed by further rules and regulations of the commissioner of inland fisheries and game, or by the legislature. Whoever violates any provision of any rule and regulation of the commissioner promulgated by virtue of this chapter shall be subject to the penalties provided in section 107.

Sec. 4. Rules and regulations; how issued. 1929, c. 331, § 3. 1931, c. 233, §§ 1, 2. 1935, c. 171. REVISOR'S NOTE: Sections 3, 4, 4-A and 4-B were repealed by chapters 12 and 171 of P. L. 1935 and new sections 3 and 4 enacted in place thereof.

An advisory council, consisting of 7 members appointed by the governor with the advice and consent of his council and chosen 1 from each of the councilor districts, shall render to the commissioner information and advice concerning the administration of the department. Appointment shall be for the term of 6 years and until successors are appointed and qualified. Upon the death, resignation, or removal from office of any person so appointed, the governor, with the advice and consent of his council, shall appoint a member to serve for the unexpired term.

The members of the advisory council shall receive no compensation for their services, but said council shall be allowed actual expenses not to exceed \$500 for each fiscal year. The council shall hold regular meetings with the commissioner or his deputy at the state capitol on the 1st Thursday of January and July, annually, and special meetings at such other times and places within the state as to him or them seem advisable. At the meeting held on the 1st Thursday of January each year, the council may elect 1 of its members as chairman and 1 as vice-chairman.

Sec. 6. Penalty for wilful defacement of notice of commissioner. 1917, c. 219, § 4. Whoever wilfully mutilates, defaces, or destroys any notice, rule, or regulation of the commissioner, posted in conformity with the provisions of this chapter, shall be punished by a fine of not more than \$50.

The commissioner is authorized to keep on hand at all times sufficient copies of the inland fish and game laws to furnish to all town clerks or agents authorized to issue licenses so that they shall have copies available to issue with every license.

Fishways.

Sec. 8. Commissioner may order construction of fishways and repairs thereto; appeals. 1929, c. 331, § 5. Whenever the commissioner after hearing, 14 days' written notice of which shall be given to 1 or more of the owners or occupants of any dam or obstruction hereinafter referred to, determines it expedient that any dam or other artificial obstruction above tide-water in any inland waters frequented by salmon, land-locked salmon, shad, alewives or other migratory fish, be provided with a fishway, he may by order in writing, require the owners or occupants of said dam or obstruction to provide a sufficient fishway, under such conditions as shall be specified in said order, certified copies of which shall be mailed to some owner or occupant of said dam or obstruction. In said order and amendment thereof the commissioner shall prescribe and may change the time during which said fishway shall be kept open for the passage of fish. The commissioner may further order and require the owners or occupants of said dams or obstructions to make repairs and alterations thereto; and if any owner or occupant neglects or refuses to join in proportion to his interest therein, in erecting, maintaining, repairing and altering such fishway so ordered and required, the other owners or occupants shall so do and shall have an action on the case against such delinquents for their proportion of the expense thereof; and if all owners and occupants refuse or neglect so to do, the commissioner may so do and shall have an action on the case against all delinquents for their proportion of the expense thereof. Whenever delinquent owners or occupants as

aforesaid reside out of the state, said amounts may be recovered as penalties by libel against said dam or obstruction and the land on which it stands, filed in the superior court in the county where said land is located, in the name of the commissioner, such notice to be given of the pendency thereof as the court in term time or vacation orders; and the court may render judgment therein against said dam, obstruction and lands for said penalties and costs and order a sale thereof to satisfy such judgment and costs, including costs of sale, subject, however, to all said requirements for the erection, maintenance and repair of said fishway.

Any owner or occupant may appeal to any justice of the superior court from any order of the commissioner by filing in the office of the clerk of the superior court in the county where said dam or other obstruction is located his notice in writing of such appeal containing the reasons therefor within 14 days after the mailing of the copy of said order to any owner or occupant of the premises as above provided. If any such appeal is denied, full costs may be taxed against the appellant.

Fish and Game Culture.

Sec. 9. Commissioner may set apart waters for certain periods of time for fish culture; may cause destruction of mink therein; may permit transportation of live game; may license breeders. 1929, c. 331, § 6. 1931, c. 82. 1933, cc. 55, 87. 1937, c. 89. The commissioner may, after hearing, set apart, for a term not exceeding 10 years, any inland waters for the use of the state or of the United States commissioner of fisheries, in the prosecution of the work of fish culture and scientific research relative to fishes. The order setting apart such waters shall be recorded in the registry of deeds in the county or registry district in which they are situated. In the waters so set apart, he and the United States commissioner of fisheries, and persons acting under their authority may, in their respective fish culture and scientific work, take fish at any time or in any manner, and erect and maintain any fixtures necessary for such purposes. No person shall take or kill any fish, or use any implement for fishing therein.

He may cause the destruction of any mink or other destructive animal or bird found in or around any fish hatchery or feeding station in this state.

He may grant permits to transport in and beyond the limits of the state, live fish, wild animals, or game birds taken in the state, for breeding or advertising purposes. He may upon hearing, permit the taking of pickerel, perch and other fish in specified waters, subject to such conditions as he may prescribe, whenever it appears that said fish seriously injure the propagation of or the fishing for any game fish.

He may issue permits to any person, firm or corporation to engage in the business of propagating game birds, game, or fur-bearing animals under such regulations as he shall establish. He may issue to any person,

firm, or corporation permit to fence in or enclose land for the above named purpose. When it appears that such application is made in good faith, and upon the payment of an annual fee of \$5, said commissioner may issue to the applicant a breeder's license permitting the breeding and rearing of any species of game birds or fur-bearing animals within such enclosure. Such licensed breeders may at any time sell, transport, or kill and sell, and any licensed person, firm, or corporation, resident of the state of Maine, may purchase, have in possession, or transport any game birds, game, or fur-bearing animals, or the skins thereof, raised by virtue of the provisions of this section, under such regulations as said commissioner may establish. No person shall engage in the business of breeding or rearing any game birds or game or fur-bearing animals at any time without first having procured a breeder's license as provided in this section.

Every licensed game or fur farmer and every person authorized to take birds or wild animals or fish for scientific purposes shall, on or before the 31st day of December of each year, make detailed report to said commissioner of all they have done during the year by virtue of such license or permit, on blanks to be furnished by the said commissioner.

Sec. 9-A. State game farm established. 1931, c. 173. The commissioner is hereby authorized to purchase suitable lands and erect buildings thereon within this state, necessary for the operation of a state game farm for experimental work in the propagation of game birds and game animals for restocking the woods and forests of the state, and to take game of any kind, dead or alive, or import the same, for the purposes of inspection, cultivation, propagation, distribution, or for scientific or other purposes deemed by him to be of interest to the game industry of this state. The cost of such construction and operation shall not exceed the sum of \$10,000 in any 1 year. All expenses incurred in carrying out the provisions of this section shall be paid by the treasurer of state on warrants from the state controller on bills properly approved by said commissioner out of any receipts from the sale of hunting licenses.

Sec. 9-B. Keeping of wild animals in captivity prohibited; exceptions; fees; care and treatment. 1937, c. 2. A. As used in this section, the following terms shall have the following meanings:

"Roadside menagerie." Any place where 1 or more wild animals are kept in captivity, either in an enclosure or by tether, upon any street or highway, or upon land, public or private, in the vicinity of any commercial establishment for the evident purpose of exhibition or attracting trade. The term will not include the exhibition of any animal in connection with any theatrical exhibition or circus or agricultural fair.

"Wild animal." Any animal wild by nature as distinguished from the

common domestic animals, whether or not such animal was bred or reared in captivity.

B. It shall be unlawful for any person to keep any wild animal in captivity upon any street or highway, or upon land, public or private, adjoining any street or highway, or upon land, public or private, in the vicinity of any commercial establishment, for exhibition, or the evident purpose of attracting trade, or to have any wild animal in his custody or control for such purpose, except that the commissioner may grant permits for "roadside menagerie." Applications therefor shall be made on forms prepared and furnished by the commissioner. The applications shall show the name and address of the applicant, the location or proposed location of the roadside menagerie, the approximate number and kinds of wild animals being or to be kept, space and method of housing, and confinement measures taken to protect the public from injury by any wild animal, and such further information as the commissioner shall prescribe. Each application shall be accompanied by a fee of \$50.

No permit shall be granted by the commissioner until he is satisfied that the provisions for housing and caring for the wild animals and for protecting the public are proper and adequate and in accordance with the standards therefor established by him.

All permits shall expire with the calendar year and may be revoked by the commissioner at any time prior thereto for failure to comply with the rules and regulations of the commissioner adopted pursuant to this section.

The commissioner is charged with the enforcement of this section and shall adopt, publish and enforce rules and regulations for the housing, care, treatment, feeding, and sanitation of wild animals kept in roadside menageries, and for the protection of the public from injury by such wild animals.

Each day during which a roadside menagerie is maintained without a permit shall constitute a separate offense.

Fish Hatcheries.

Sec. 10. Commissioner may take land for fish hatcheries; appeal. 1929, c. 331, § 7. 1931, c. 99. The commissioner for the location, construction, maintenance and convenient operation of a fish hatchery or fish hatcheries and feeding stations for fish may acquire in the name of the state by gift, bequest or otherwise, real and personal property or he may purchase, lease or take and hold, for and in behalf of the state, as for public uses, land and all materials in and upon it or any rights necessary for the purpose of establishing, erecting, and operating fish hatcheries or feeding stations.

For real estate so taken, the owners are entitled to damages, to be paid by the state and estimated by the county commissioners, on written application of either party, made within 1 year after filing the location as

hereinafter provided, or if proceedings thus commenced fail for causes not affecting the merits, new ones may be commenced within 1 year thereafter. When the commissioner deems that a public exigency requires the taking of any land or rights for the purposes aforesaid, they shall cause the same to be surveyed, located, and so described that the same can be identified, and a plan thereof shall be filed in the registry of deeds in the county, or registry district, where the land or rights are located, and there recorded. The filing of such plan and description shall vest the title to the land and right aforesaid, in the state, or its grantees to be held during the pleasure of the state. Either party, if aggrieved by a decision of the county commissioners rendered in conformity with the provisions of this section, may appeal as in cases of land taken for highways to the superior court in the county in which the land is situated.

Sec. 10-A. Federal fish culture recognized. 1931, c. 118. The United States commissioner of fisheries and his duly authorized agents are hereby accorded the right to conduct fish-cultural operations and scientific investigations in the waters of this state in such manner and at such times as may be considered necessary and proper by the said commissioner and his agents.

Sec. 11. Commissioner to have authority over fish screens. 1929, c. 331, § 8. The commissioner may authorize, alter, and remove the screening of any inland waters, and shall, upon application, make suitable provision for the passage of logs, lumber and pulpwood in any floatable waters of the state so screened. The commissioner may prohibit fishing within 500 yards of any screen installed by authority of the department or of the legislature. No person shall take up, destroy or injure any such screen or fish in waters closed to fishing by this section.

Inland Fish and Game Wardens.

Sec. 12. Inland fish and game wardens; appointment, powers and duties; tenure; bond, service of processes. 1929, c. 331, § 9. 1931, c. 237. 1933, c. 142. 1935, c. 128. sioner of inland fisheries and game) and they shall have the same right as sheriffs to require aid in executing the duties of their office. All wardens and state paid deputy wardens shall, before being qualified to discharge the duties required by this chapter, give bond to the treasurer of state, in the sum of \$2,000, with 2 sureties, or with a surety company authorized to do business in the state, as surety, approved by the commissioner conditioned for the faithful performance of the duties of their office. Inland fish and game wardens qualified as above may serve all processes pertaining to the enforcement of any provision of this chapter, or the execution of, or collection of, any penalty imposed thereunder, or any order of court pertaining to the enforcement of any provision of this chapter.

Sec. 13. Deputy fish and game wardens; appointment; tenure. 1929, c. 331, § 10. The commissioner may appoint inland fish and game deputy wardens and may revoke such appointment at any time. The appointment and discharge of such deputy wardens shall be in writing, and they shall have the same powers and be subject to the same laws, as inland fish and game wardens appointed by the governor and council. All such appointments shall terminate with the calendar year in which the appointment is made.

(Note:—This section *seems* to be affected by c. 237 of P. L., 1931, so that it now applies to *temporary* game wardens, only. The wording has not been changed as it is a matter of interpretation, and not within the province of the Revisor.)

(1) That open, competitive examinations for testing the fitness of applicants for permanent employment in the game warden service and the fish hatchery service shall be given. Such examinations shall be practical

in their character, and so far as may be shall relate to those matters which will fairly test the relative capacity and fitness of the persons examined to discharge the duties of the service into which they seek to be appointed.

(2) That all new permanent employments in the game warden service or in the fish hatchery service shall be filled by selections according to grade from among those graded highest as the results of such competitive examinations. But no aforesaid employment shall be considered as permanent until the expiration of a probationary period of sufficient length to satisfy the commissioner of the ability and fitness of the candidate to discharge the duties of the service into which he seeks to be appointed.

(3) That no person habitually using intoxicating beverages to excess shall be appointed to, or retained in, the game warden service or the fish hatchery service.

(4) That the said civil service commission is hereby authorized to determine and fix the minimum and maximum limits of age within which original appointments to the game warden service and the fish hatchery service may be made.

The said rules may provide for such other matters as may be deemed fitting and proper.

Sec. 13-D. All permanent employees to come under provisions of §§ 13-A to 13-H, inclusive, present permanent employees to be retained. 1931, c. 237, § 4. Sec. 13-G. Modification of rules. 1931, c. 237, § 7. Rules may be modified at any time by the said civil service commission, but shall be approved by the commissioner before going into effect.

Sec. 13-H. Removal from service. 1931, c. 237, § 8. Except as otherwise herein provided no person in the game warden service or in the fish hatchery service shall be removed therefrom except for such cause as will

promote the efficiency of the service and for reasons given in writing, and the person whose removal is sought shall have notice of the same and of any charges preferred against him, and be furnished with a copy thereof, and also be allowed a reasonable time for personally answering the same in writing, and may submit affidavits in support thereof; but no examination of witnesses nor any trial or hearing shall be required except in the discretion of the commissioner. Copies of charges, notice of hearing, answer, reasons for removal, and of the order of removal shall be made a part of the records of the department, as shall also the reasons for reduction in rank or compensation; and copies of the same shall be furnished to the person affected upon request, and the said civil service commission also shall, upon request, be furnished copies of the same.

Sheriffs, deputy sheriffs, police officers and constables are vested with the powers of inland fish and game wardens, and shall receive for their services the same fees as those of inland fish and game wardens. State paid fish and game wardens and deputy wardens appointed under the 10 preceding sections shall hold no other state or county office from which they receive compensation.

Sec. 15. Guides shall be registered by commissioner; must furnish such information as commissioner requires. 1929, c. 331, § 12. No person shall engage in the business of guiding, either for inland fishing or forest or shore hunting, until he has procured a certificate so to do from the commissioner. Each registered guide shall, from time to time, as often as requested by said commissioner, forward, on blanks furnished him by said commissioner, a statement of the number of persons he has guided during the time called for in said statement, the number of days he has been employed as a guide, and such other information relative to inland fish and game, forest fires, and the preservation of the forests in the localities where he has guided, as the commissioner may deem of importance to the state.

No person shall be issued a Class A guide's certificate unless he is physically, mentally and morally capable of guiding and caring for a party anywhere in the forests or on the waters of the state and said commissioner may, at his discretion, promote or demote guides from one class to another.

A fee of \$3 shall be paid annually for the registration of a Class A guide and a fee of \$1 shall be paid annually for a Class B guide. Non-residents may be so licensed upon payment of a fee of \$20.

If the magistrate finds the claimant, if any appear, is not entitled to said birds, fish, or animals, or parts thereof, the officer making such seizure shall turn over to the magistrate the proceeds of such sale, and such magistrate shall forward the proceeds thereof to the commissioner in the same manner as is provided by section 99 of this chapter.

If no claimant appears, such magistrate shall, on proof of notice as aforesaid, declare the same forfeited to the state. If any person appears and claims such articles, or any part thereof, as having a right to the possession thereof at the time when the same were seized, he shall file with the magistrate such claim in writing, stating specifically the right so claimed, and the foundation thereof, the items so claimed, the time and place of the seizure and the name of the officer by whom the same were seized, and in it declare that they were not used or had in possession in violation of the provisions of this chapter, with his knowledge or consent, and also state his business and place of residence, and shall sign and make oath to the same before said magistrate. If any person so makes claim, he shall be admitted as a party to the process; and the magistrate shall proceed to determine the truth of the allegations in said claim and libel, and may hear any pertinent evidence offered by the libellant or claimant. If the magistrate is, upon the hearing, satisfied that said birds, fish, or animals, or parts thereof, or any equipment used or possessed were not used or had in possession in violation of the provisions of this chapter, and that the claimant is entitled to the custody of any part thereof, he shall give him an order in writing, directed to the officer having the same in custody commanding him to deliver to said claimant the articles, or proceeds derived from the sale of the same, to which he is so found to be entitled, within 48 hours after demand. If the magistrate finds the claimant entitled to no part of said articles so seized, he shall render judgment against him for the libellant for costs, to be taxed as in civil cases before such magistrate, and issue execution thereon, and shall declare said articles forfeited to the state. The claimant may appeal and shall recognize with sureties as on appeals in civil causes from a magistrate.

The forms herein set forth, with such changes as adapt them for use in

cities, towns, and plantations, are sufficient in law, for all cases arising under the foregoing provisions, to which they purport to be adapted; and the costs to be taxed and allowed for the libel, shall be 50 cents; for entering the same, 30 cents; for trying the same, \$1; for a monition, 50 cents; for posting notices and return, \$1; order to restore or deliver, 25 cents; executing the order, 50 cents; and 10 cents per mile for all necessary travel.
