Such inspection shall be made during the months of May and November of each year at an official inspection station, duly appointed and certified as such by the secretary of state. Within 30 days after the close of each inspection period stickers on hand may be returned to the secretary of state, and the purchase price refunded.

Said inspection shall not apply to motor vehicles owned and registered in another state, provided proper proof is shown of an inspection of such motor vehicle within the period of 6 months prior thereto.

No dealer shall permit any motor vehicle owned or controlled by him to be released for operation upon the highways until it has been inspected as hereinbefore provided and bears the proper certificate.
