An amount not exceeding \$1,000,000 may be charged to the proceeds from the sale of the bonds authorized in section 2 hereof.

Sec. 2. Issue of bonds to provide funds for the aforesaid purposes. The treasurer of state is hereby authorized, under the direction of the

governor, to issue from time to time coupon bonds in the name and behalf of the state to an amount not exceeding \$1,000,000, payable serially at the state treasury within 10 years from date of issue, at a rate of interest not exceeding $1\frac{1}{2}\%$ per year, interest payable semi-annually. Said bonds shall bear the facsimile of the signature of the governor and shall be signed by the treasurer of state, and attested by the state auditor, with the seal of the state affixed.

The coupons attached to said bonds shall bear the facsimile of the signature of the treasurer of state; and such bonds and coupons shall be of such denominations and form and upon such terms and conditions not inconsistent herewith as the governor shall direct. Said bonds, together with the proceeds thereof, shall be designated as State of Maine War Bonds for the purposes set forth in this act, and shall be deemed a pledge of the faith and credit of the state, and when paid at maturity or otherwise retired shall not be reissued.

Sec. 3. Records of bonds issued to be kept by state auditor and treasurer. The state auditor shall keep an account of such bonds, showing the number and amount of each, the date of countersigning, the date when payable and the date of delivery thereof to the treasurer of state, who shall keep an account of each bond, showing the number thereof, the name of the person to whom sold, the amount received for the same, the date of sale and the date when payable.

All bonds sold under the provisions of this act must bring face value of the bonds issued and the amount of \$1,000,000 is hereby appropriated for the purpose of carrying out the intent of this act. Any premium received over and above the par value of this issue is hereby appropriated for the purpose of paying first all costs of issuance of said bonds, and secondly such amount remaining to pay interest accruing on such bonds as are issued. If no premium shall be received, then costs of issuance shall be paid from proceeds of said issue.

The moneys made available by this act may be expended during the fiscal years ending June 30, 1942 and June 30, 1943, but any unexpended balance shall not lapse but shall be carried forward to the same account to be used only for the purpose set forth herein.
