**AN ACT** to Incorporate the Clinton Water District.

*Be it enacted by the People of the State of Maine, as follows:*

**Sec. 1.** Territorial limits; name; purposes; plans of system to be submitted to public utilities commission for approval. That part of the town

of Clinton within the area hereinafter described, and the inhabitants within that area, are hereby created a body politic and corporate by the name of Clinton Water District for the purpose of supplying the inhabitants of said district with pure water for domestic, sanitary, agricultural, industrial, and all lawful municipal purposes, and also for providing adequate sewerage facilities for the collection, discharge and disposition of sewage as may be necessary for the convenience and health of the inhabitants of said district.

The area within the district is to be comprised of that part of the town of Clinton bounded and described as follows: Beginning at a point where the Clinton-Benton town line crosses the Sebec river, approximately 1 mile south of Clinton village; thence westerly along said town line to the right of way of the Central Maine Power Company, over which their high tension line is constructed; thence northerly along said right of way to a point where said right of way intersects the Town House Hill road, which extends from Clinton village to Hinckley; thence northerly in a straight line to the Hill road at a point where the division line between land owned by Will Spearin and Harry McKenney meets said road; thence easterly in a straight line across the Horseback road, so called, to the county road, commonly called Mutton Lane, at a point where a granite post is placed on the line between the Owen farm and the Boothby farm; thence easterly in a straight line to the Sebec river where the Waldo-Kennebec county line crosses said river; thence following down the course of said river to a point where said Clinton-Benton town line touches the shore of said river; thence westerly along said town line to the point of beginning.

Provided, however, that it shall not construct any system of pipe lines or development, without first having submitted its plans to the public utilities commission, and obtained its advice therefor in writing, under power vested in said commission by section 13 of chapter 40 of the revised statutes of 1944.

**Sec. 2. Powers of said Clinton Water District.** The said district, for the purposes of its incorporation, is hereby authorized to take, hold, divert, use and distribute water from the Sebec river in the town of Clinton, and from any surface or underground brook, spring or vein of water in said town of Clinton, and to do any and all things necessary in providing a system of sewerage and drainage for public purposes and for the health, comfort and convenience of the inhabitants of said district.

**Sec. 3. May exercise eminent domain.** The said district, for the purposes of its incorporation, is hereby authorized to take and hold as for

public uses, real estate and personal estate, and any interest therein necessary for such purposes, by purchase, lease, or otherwise, and is hereby authorized to exercise the right of eminent domain as hereinafter provided, to acquire for such purposes any land or interest therein or water rights necessary for erecting and maintaining dams, plants and works, for flowage, for power, for pumping, for supplying water through its mains and sewerage system, for reservoirs, for preserving the purity of the water and watershed, for laying and maintaining mains, aqueducts, and other structures for taking, distributing, discharging and disposing of water and sewage, for forming basins, reservoirs and outlets in a sewage system, for erection of buildings for pumping works for use therein, for laying pipes and sewers and maintaining same, and for laying and maintaining conduits for carrying, collecting, discharging and disposing of sewage matters and waters, for filtering, rectifying, treating, and disposal plants, works and facilities, for such other objects necessary, convenient and proper for the purposes of its incorporation, and for rights of way or roadways to its sources of supply, dams, power stations, reservoirs, mains, aqueducts, structures, plants, works, facilities and lands.

The said district is hereby authorized to lay in and through the streets, roads, ways and highways within the town, and across private lands therein, and to maintain, repair and replace, all such pipes, mains, conduits, aqueducts, and fixtures as may be necessary and convenient for any of its corporate purposes and authorities, and whenever said district shall lay or install any pipes, aqueducts, or fixtures in any street, road, way or highway, it shall cause the same to be done with as little obstruction as practicable to the public travel, and shall at its own expense without unnecessary delay cause the earth and pavement removed by it to be so replaced as to leave the surface in proper condition.

Provided, however, nothing herein contained shall be construed as authorizing said water district to take by right of eminent domain any of the property or facilities of any other public service corporation or district used or acquired for future use by the owner thereof in the performance of a public duty unless expressly authorized thereto herein or by subsequent act of the legislature, or as provided in section 5 hereof.

**Sec. 4. Authority as to sewers.** Said district may take into, receive and convey through its pipes, conduits and system, surface water and the natural flowage of existing water courses; may establish through and by its trustees regulations for the use of sewers and fix and collect the prices to be paid for entering the same, and also the annual rentals for the use thereof; may carry and lay conduits and pipes under any water course,

and cross any drain or sewer, or, if necessary, to change its direction in such a manner as not to obstruct the use thereof, and in general to do any other acts or things necessary, convenient and proper to be done for the purpose of its incorporation.

**Sec. 5. Abutting owner may enter sewer.** Said district at all times, after it shall commence receiving pay for the sewerage facilities supplied by it, shall be bound to permit the owners of all premises abutting upon its lines of pipes and conduits, to enter the same with all proper sewerage upon conformity to its rules and regulations, and payment of the prices and rentals established therefor.

**Sec. 7. Procedure if public utility must be crossed.** In case of any crossing of any public utility, unless consent is given by the company owning or operating such public utility as to place, manner and conditions of the crossing within 30 days after such consent is requested by said district, the public utilities commission shall determine the place, manner and conditions of such crossing; and all work on the property of such public utility shall be done under the supervision and to the satisfaction of such public utility, but at the expense of the district.

**Sec. 8. Board of trustees.** All the affairs of said district shall be managed by a board of 3 trustees, resident therein, who shall be appointed by the municipal officers of the town of Clinton. They shall hold office as hereinafter provided and until their respective successors are appointed and qualified. Whenever the term of office of a trustee expires, the municipal officers of the town of Clinton shall appoint a successor to serve the full term of 3 years and in case of any other vacancy arising from any cause, it shall be filled in like manner for the unexpired term. As soon as convenient after their appointment, the trustees first appointed shall hold a meeting at some convenient place in the district, to be called by any member thereof, in writing, designating the time and place, and delivered in hand to the other two members not less than 2 full days before the meeting; provided, however, that they meet by agreement and waiver without such notice. They shall then organize by the election of a chairman and clerk from their own number, adopt a corporate seal and by-laws, and perform any other acts within the powers delegated to them by law. As necessary, they may choose agents and other needful officers who shall serve at their pleasure, and whose compensation shall be fixed by said trustees. They shall choose annually a treasurer to serve for a term of 1 year, fix the treasurer's salary, which shall in no case exceed \$200 per year, and fill vacancies in that office. The treasurer shall furnish a bond, issued in such sum by a surety company as the trustees may approve, and the expense of securing the bond is to be borne by the district. Members of the board shall be eligible to any office under the board, but shall not receive compensation therefor, except as trustee, unless authorized by vote of the municipal officers of the town of Clinton.

Notice thereof, signed by the chairman or clerk of the board, shall be conspicuously posted in 2 public places within the district, not less than 7 days before the meeting. Special meetings may be called by the board in like manner at any time, and notice of special meetings shall state the business to be transacted thereat. Ten per cent of the voters qualified to vote in such meetings shall constitute a quorum. If for any reason a legally sufficient annual

All persons resident in said district and qualified to vote for governor under the laws of this state shall be entitled to vote in any meeting of the district, including the meeting for acceptance of this charter.

**Sec. 11. Trustees granted certain powers of selectmen.** After the meeting of the voters of the district, for acceptance of this charter, and after the organization of the board under the provisions of section 9, the trustees shall have the same powers and perform the same duties as otherwise are exercised and performed by the selectmen of towns in correcting and preparing lists of the persons qualified to vote in said district, and for that purpose they shall be in session at the place designated for holding the meeting between the hours of 10 o'clock in the forenoon and 12 o'clock noon on the secular day next before the date of every meeting, and also 2 hours before the opening of the meeting, and notice thereof shall be given in the call of the meeting. All meetings of the district shall be presided over by a moderator chosen in the same manner and with the same authority as moderators of town meetings.

**Sec. 12. turing at one time or in uniform or varying installments, and with or without call provisions. Said notes and bonds shall be legal obligations of said district, which is hereby declared to be a quasi-municipal corporation within the meaning of sections 132 and 133 of chapter 49 of the revised statutes of 1944. The said notes and bonds shall be legal investments for savings banks.

**Sec. 14. Property tax exempt.** The property of said district shall be exempt from all taxation by the town of Clinton.

**Sec. 15. Said water and sewer rates shall be so established as to provide revenue for the following purposes:

To provide each year a sum equal to not less than 1% nor more than 5% of the entire indebtedness created by the district, which sum shall be turned into a sinking fund and there kept to provide for the extinguishment of said indebtedness. The money set aside for the sinking fund shall be devoted to the retirement of the obligations of the district or invested in such securities as savings banks or fiduciaries or trustees are now or hereafter allowed to hold. Provided, however, that the trustees may, in their discretion and in lieu of the establishment of a sinking fund, issue the bonds of the district so that not less than 1% of the amount of the bonds so issued shall mature and be retired each year.
4. If any surplus remains at the end of the year, it may be turned into the sinking fund.

**Sec. 16. Local referendum for the town of Clinton; meeting; how called; certificate to secretary of state.** This act shall take effect except as hereinafter provided when accepted at an election specially called and held for the purpose, but only if the total number of votes cast for and

against acceptance of this act in said special election equals or exceeds 20% of the total number of names on the check list of voters of said district provided for herein, which check list shall be used at such election; but failure of approval by the necessary percentage of voters shall not prevent subsequent elections. Said elections shall be called by the municipal officers of the town of Clinton and shall be held at the regular voting place in the town; the dates of said elections shall be determined by said municipal officers but the first such meeting shall not be later than the 1st day of November, 1946. The board of registration shall prepare and furnish separate check lists for such of the voters within said district as are then legal voters of said town and reside in said district, and all notices, warrants or other proceedings shall be varied accordingly so as to show that only such voters as reside in said district as aforesaid are entitled to vote upon the above question. Such special elections shall be called, advertised and conducted according to the law relating to municipal elections; provided, however, that the board of registration shall not be required to prepare nor the town clerk to post a new list of voters; and for this purpose said board of registration shall be in session on the 3 secular days next preceding said election, the 1st and 2nd days thereof to be devoted to registration of voters and the last day to enable the board to verify the correction of said lists and to complete and close up its records of said session. The town clerk shall reduce the subject of this act to the following question: "Shall the act to incorporate the Clinton Water District be accepted?" and the voters shall indicate by a cross placed against the words "Yes" or "No" their opinion of the same. The result shall be declared by the municipal officers and due certificate thereof filed with the secretary of state by the clerk of said town.

**Sec. 17. Act effective for referendum.** Despite the provisions of section 16 hereof providing for acceptance of this act by vote of the district, this act shall take effect 90 days after the final adjournment of the legislature for all purposes and for the performance of all acts, including the calling and holding of the special elections authorized in section 16, necessary or permissible hereunder until the act be accepted in accordance with section 16, whereupon the act shall take complete effect.
