## PREFACE

The changes in the session laws passed by the 92nd legislature are indicated in the following manner:

I. In deleting certain words from a law, unless the words are repealed by express language, the words are printed with lines drawn through them.

II. In adding new words, the new words are printed in boldface type (boldface type 10 point).

III. In repealing and replacing a section or sections, the new section or sections are printed in boldface type (boldface type 10 point).

The table of contents at the beginning of this volume shows the location of the various laws, tables and indexes. State papers, such as addresses, executive orders, proclamations of the Governor, gifts of Ex-Governor Baxter to the state and memorials to Congress are not indexed but may be located by reference to the table of contents.

The laws passed at the special sessions of the 91st legislature, with two exceptions, are printed at the front of this volume and are indexed in the cumulative index. The exceptions are "An Act to Repeal the Acts Consolidated in the Revised Statutes of the Year One Thousand Nine Hundred and Forty-four" and "An Act to Revise and Consolidate the Public Laws of the State of Maine". Both acts were approved on September 20, 1944 and became effective on December 30, 1944.

Footnotes to each chapter dealing with inland fish and game have been added showing where they have been placed in the eighth biennial revision of the inland fish and game laws, which revision will be found at the end of this volume.

A cross reference table will be found toward the end of the volume showing the public laws enacted at the special sessions of the 91st legislature and the sections of the revised statutes of 1944 which have been affected by laws passed at the 92nd legislature. All public laws passed by the 92nd legislature have been allocated and it is hoped that this procedure may be continued in the future to prevent confusion.

One new feature has been added to this volume. At the top of each page there is indicated whether the law is public, private and special or a resolve and the year during which the law was passed. It is hoped thereby that all information concerning any law may be found on the pages on which the law is printed.

The acts and resolves passed by the 92nd legislature became effective July 21, 1945, except those laws which were passed as emergencies and became effective when approved by the Governor and those laws which state the date upon which they become effective. The effective date of each law is noted throughout this volume.

SAMUEL H. SLOSBERG,

Revisor of Statutes.
