## STATE OF MAINE

## PROCLAMATION BY THE GOVERNOR

Whereas, the picturesque scenic beauties of the State of Maine always have been a source of pleasure, not only to those of us at home but to visitors as well; and

Whereas, in these days of all-out war effort it is important that such enjoyment be a part of our daily lives; and

Whereas, a special effort must be made to enhance these qualities, particularly of our trees, shrubbery and plants, for future generations;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby designate Saturday, May 15, 1943, as

**Arbor Day,**

and urge that a certain amount of our energies be directed toward the general improvement of our surroundings.

[Seal]

Given at the office of the Governor at Augusta and sealed with the Great Seal of the State of Maine, this thirteenth day of May, in the year of our Lord One Thousand Nine Hundred and Forty-three, and of the Independence of the United States of America, the One Hundred and Sixty-seventh.

Secretary of State.

## STATE OF MAINE

## PROCLAMATION BY THE GOVERNOR

Whereas, since 1940 the third Sunday in May of each year has been set aside as Citizenship Day for the proper recognition of all who, by coming

of age or by naturalization, have attained the status of citizenship, the day to be designated as I am an American Day; and

Whereas, the opportunities and responsibilities that are ours as citizens should be reflected upon deeply that day; and

Whereas, citizens in every walk of life should rededicate themselves to the total support of our fighting forces to the end that these privileges shall remain ours;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby designate Sunday, May 16, 1943, as

**I Am An American Day,**

and urge that this significant day be observed appropriately.

[Seal]

**STATE OF MAINE****PROCLAMATION BY THE GOVERNOR**

Whereas, the need for more enlistments in the Women's Army Auxiliary Corps is urgent; and

Whereas, every woman who joins the WAAC releases a man for actual fighting service; and

Whereas, girls too young to join the WAAC can play an important part in the success of this objective, as recruiters; and

Whereas, the WAAC has made provision for enlisting the help of these junior recruiters in this effort;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim the week of June 7 as

**Junior WAAC Recruiters' Week,**

and urge our young girls to assist in this program, and thereby aid the efforts of our armed forces to win the war.

[Seal]

STATE OF MAINE

**PROCLAMATION BY THE GOVERNOR**

Whereas, June 14 marks the anniversary of the adoption of the flag of the United States; and

Whereas, since 1777 the flag has symbolized blessings which today this nation and other United Nations are striving valiantly to maintain and extend; and

Whereas, significantly, the other United Nations will celebrate Flag Day with us, and it is therefore fitting that we include the flags of our Allies in our commemoration;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim June 14, 1943, as

**Flag Day,**

and urge that flags be displayed at homes, places of business and elsewhere, and further do I urge that all citizens participate by appropriate means in this world-wide celebration of free people.

## PROCLAMATION BY THE GOVERNOR

Whereas, annually for the past several years a day has been set aside to do honor to fathers; and

Whereas, many fathers today are fighting in all battle fronts to safeguard the freedoms that have been ours for over 150 years; and

Whereas, special honor should be done to these fathers and to those fathers whose sons in service equally are determined to achieve victory and perpetuation of our way of life;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim Sunday, June 20, as

## Father's Day

STATE OF MAINE

## PROCLAMATION BY THE GOVERNOR

Whereas, for the defense of the United States and in support of our armed forces we at home are undertaking many voluntary war duties; and

Whereas, the Aircraft Warning Service, with its thousands of loyal civilian volunteers is serving around-the-clock in watchtowers throughout the State and in Filter Centers in order that our fighting forces may be warned immediately of any enemy approach; and

Whereas, a well-organized, alert warning service constitutes a positive defense and discourages attack, and

Whereas, it is vital to the defense of our State and Nation that those on routine patrols be always encouraged and aided through the ready assistance of ground observers ever on the alert to guide the fighter planes;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim the period of July 18-24, 1943 as

**Aircraft Warning Service Week,**

and urge Maine citizens to acquaint themselves especially at this time with the fundamental purposes and functions of the Aircraft Warning Service, and to contribute their wholehearted support to this essential wartime activity.

STATE OF MAINE

## PROCLAMATION BY THE GOVERNOR

Whereas, our nation is now engaged in the task of winning the war and of laying the foundations of a just and peaceful world order; and

Whereas, this two-fold task makes unprecedented demands upon the spiritual powers and the inner resources of our people; and

Whereas, now, as always, the teachings and principles of religion are the source of our character; and

Whereas increased emphasis upon religious teaching is needed, particularly at this time;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim the period beginning Sunday, September 26, and continuing through Sunday, October 3, as the

**Thirteenth Annual Religious Education Week,**

and request all citizens with their families to continue or to renew their allegiance to the churches of their choice, and to seek for themselves and make effective for others all possible opportunities for religious teaching and worship which are essential in establishing the spiritual foundations of freedom.

Whereas, National Newspaperboy Day, sponsored by the International Circulation Managers' Association for the purpose of giving recognition to the more than 500,000 newspaperboys of America for valuable services to the nation, is to be observed on Saturday, October 2; and

Whereas, the newspaperboys of America not only are making a truly patriotic contribution to the war effort through the selling of war bonds and stamps, but in their chosen occupation are building for their own futures a pattern of responsibility, alertness and character; and

Whereas, an appreciation of their activities will encourage and inspire them in their daily tasks and further their wartime undertakings;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim Saturday, October 2, as

**State Newspaperboy Day**

and urge all citizens, in view of the constructive efforts and accomplishments of this energetic group, to be generous in encouragement and praise.

Whereas, the Women's Army Corps has been directed by the U. S. Government to enlist 70,000 women in 70 days; and

Whereas, the United States Army is making its appeal to those women whose energies and capabilities have not yet found essential expression in the war effort; and

Whereas, women who enlist will be recruited and trained in state companies, under a state banner;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim the weeks between September 27 and December 7 as

## PROCLAMATION BY THE GOVERNOR

Whereas, every fire in war time serves the enemy as effectively as any saboteur; and

Whereas, deaths and crippling injuries from fire cause serious loss to the war effort; and

Whereas, we need all the munitions, food and supplies that can be produced, in order to insure early victory, having none to spare for wasteful fires;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby designate the week of October 3 to 9 as

## Fire Prevention Week,

and do call upon the citizens of Maine to unite in a concerted effort to reduce the losses by fire in this state; and further do I urge most earnestly that every citizen of Maine take added precautions this year to protect his home, his place of business, and all property both public and private.

Given at the office of the Governor at Augusta and sealed with the Great Seal of the State of Maine, this first day of October, in the year of our Lord One Thousand Nine Hundred and Forty-three, and of the Independence of the United States of America, the One Hundred and Sixty-eighth.

## PROCLAMATION BY THE GOVERNOR

Whereas, the Needlework Guild of America has requested the cooperation of the people of Maine in the observance of Needlework Week, October 10 to 16; and

Whereas, this organization for the past fifty-eight years has been active and instrumental in supplying new garments for the needy through accredited institutions throughout the nation; and

Whereas, the need for suitable warm clothing during the coming winter is likely to be great, due to the wartime disruptions of family life and general preoccupation with military requirements;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim the week of October 10 to 16 as

in Maine, and earnestly request all citizens to acquaint themselves with the services of the Guild and to cooperate in every way possible in furthering this splendid work.

## PROCLAMATION BY THE GOVERNOR

Whereas, the nation is threatened with the loss of six million barrels of potatoes due to shortages of manpower, transportation and storage facilities in Maine; and

## PROCLAMATIONS, 1943

Whereas, official weather records on freezing temperatures indicate that this crop should be harvested before October 18; and

Whereas, the full resources of the State are being utilized in the effort of harvesting this crop; the schools of Aroostook County remaining closed, the State Highway Department assisting farmers in digging temporary storage pits with power shovels and making available every truck, truck driver and able-bodied man in its employ throughout the State; and

Whereas, appeals have been made to United States Army officials for the use of soldiers to help move this crop and to other Federal agencies for immediate assistance in providing transportation and out-of-state storage facilities; and

Whereas, to assure this assistance further additional steps must be taken by the State of Maine;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim an emergency in Aroostook County and urge that all stores in the county, except drug stores, be closed on Monday of each week during this emergency and that Sunday be used as a work day in special consideration of the fact that troops will be available for work on this day. Also I do earnestly urge that all town governments, school committees and citizens cooperate wholeheartedly by all possible means to save this essential food.

## PROCLAMATION BY THE GOVERNOR

Whereas, the nation is in grave need of the products of the Maine pulp and paper industry for the effective prosecution of the war,—these prod-

ucts being used extensively in the manufacture of smokeless powder; paperboard containers for shells, food and ammunition; tabulating card stock; blood plasma kits; rayon and paper parachutes, and other necessary materials of war; and

Whereas, production in this field is hampered severely by manpower shortages due to war; and

Whereas, Canadian government policy has decreased progressively the number of Canadian woodsmen normally permitted to cross the border into Maine, and has reduced allowable exports of pulpwood into the United States; and

Whereas, appeals to United States government agencies for additional manpower and for permission to use war prisoners in Maine woods operations have resulted in no relief; and

Whereas, collapse of this war essential pulp and paper industry, the largest single enterprise in Maine, is threatened for the foregoing reasons; and

Whereas, the newspapers of the nation have been requested by the War Production Board to devote their organized efforts to a campaign to overcome these pulpwood shortages;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim the

**Victory Pulpwood Drive,**

and do urge all timber owners in Maine representing commercial tracts or farm woodlots to increase their efforts in harvesting this vital forest product.

Whereas, Navy Day, celebrated annually since 1922 through the sponsorship of the Navy League of the United States in cooperation with the Navy Department, will again be observed throughout the nation on October 27; and

Whereas, all Maine citizens take great pride in the growing might and mounting successes of the United States Navy; and

Whereas, the observance of Navy Day provides an appropriate opportunity to honor our splendid Navy and its valiant and resourceful officers and men;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim October 27 as

## PROCLAMATION BY THE GOVERNOR

Whereas, Education, unrestricted, is a priceless gift of a democratic government to its people. Liberty, equality and justice find expression only when education is universal, regardless of color, class, creed or sex. Edu-

**PROCLAMATIONS, 1943**

cation is on the march to rid the world of all enemies of freedom, for education and freedom cannot exist in a world half slave and half free.

Whereas, The National Education Association, the American Legion, the United States Office of Education, and the National Congress of Parents and Teachers sponsor jointly American Education Week.

Whereas, this observance of nearly a quarter of a century merits our continued support. It differs from other such observances in that it does not call for additional time from the already busy school schedule. Indeed, its claim for recognition is because it permits our citizens to judge its merit through observation in this everyday workshop designed for the building of democratic citizenship. There one may observe modern methods employed to perform this complicated task of educating the American citizens of tomorrow. We believe that schools today are better than the schools of yesterday. Our plan must be to make them still better for tomorrow. To do this calls for the support of all citizens, and this can best be accomplished by a more thorough understanding of the purposes and accomplishments of the schools.

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, in keeping with this spirit, do hereby proclaim the period from November 7-13, 1943, as

**American Education Week.**

Mindful that the qualities which go to make up an invincible, free, and happy people are found only through an efficient system of universal education, that an appreciation of its value can be found only through firsthand acquaintance with its philosophy, theory, and practice, I earnestly urge that our citizens take this opportunity to visit the classroom, which is the powerhouse of democracy, and thus refresh our memories on the splendid service the schoolroom has rendered; the necessity for its continuous improvement and its dedication to the improvability of mankind.

[Seal]

## PROCLAMATION BY THE GOVERNOR

Whereas, the United States Marine Corps will observe the 168th Anniversary of its founding on November 10, 1943; and

Whereas, the occasion is one of greater significance to more Americans this year than ever before, because of the vast expansion of the Corps and the high heroism of Marines in the present world war; and

Whereas, this year for the first time women Marines join in the birthday observance as a part of the Corps, shouldering the men's non-combatant jobs ashore,

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim Wednesday, November 10,

**Marine Corps Day**

and urge the people of Maine to join with all Americans everywhere in celebrating this anniversary.

Whereas, this harvest crisis has now passed and a large part of the threatened loss averted by cooperative efforts of our farmers and various agencies of the Federal and State governments:

**STATE OF MAINE****PROCLAMATION BY THE GOVERNOR**

Whereas, the day set aside in commemoration of the Armistice of 1918 now approaches; and

Whereas, for nearly a quarter of a century it has been our custom to pay tribute to those who fought and died in the hope that wars might end; and

Whereas, this year, in the midst of another and greater world conflict, it is particularly fitting that we give special thought and consideration on Armistice Day to the terms of the peace which shall be effected at the close of the present turmoil, to the end that the strength and power of the American people shall be directed toward universal justice, freedom, and security, in a world where conflicts threatening the future of humanity may be made impossible;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim November 11, 1943, as

**Armistice Day,**

and call upon the people of this state to honor the memory of the men who died in the last war by observing this day as one of rededication to the

principles for which they fought, and of prayer to Almighty God that the new peace which will follow a United Nations victory will be more than an Armistice.

## PROCLAMATION BY THE GOVERNOR

Whereas, there exists as the result of wartime demands on the paper and paperboard industries, an acute shortage of waste paper, threatening the production of new paper products for military and elementary civilian needs; and

Whereas, at least an additional two million tons of waste paper are needed to keep mills at peak production, and, more can be absorbed, to build up reserve inventories; and

Whereas, the normal sources of waste paper are not adequate to meet the wartime requirements for this essential raw material; and

Whereas, the War Production Board has requested the newspapers of the United States to undertake the U. S. Victory Waste Paper Campaign to generate a flow of waste paper from homes, business establishments and institutions to the paper manufacturers;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby call upon the people of this state to cooperate with the agencies in their community engaged in waste paper salvage, to the end that this shortage which threatens the conduct of the war against our enemies and the prosecution of our civilian endeavors be speedily corrected.

Whereas, the Parent-Teacher Associations are important factors in the development of a better understanding of our schools and school problems; and

Whereas, the proper education and training of our youth is the best possible assurance of our state's future; and

Whereas, our interest in and support of a vital, dynamic educational program is necessary if our people are to meet fully the demands for able, democratic leadership in our state and nation, and in our developing world society;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim the period from October 16 to 22, 1944, as

Parent-Teacher Week,

and invite the attention of all citizens to the activities of the Maine Congress of Parents and Teachers, and their cooperation with our teachers in the encouragement of a forward-looking educational program in Maine.

Authorization of the Amendment to the Constitution to Limit to Highway Purposes the Use of Revenues Derived from the Taxation of Vehicles Used on the Public Highways, and Fuels Used for Propulsion of Such Vehicles.

---

Whereas, the Ninety-first Legislature of the State of Maine by a Resolve passed by a concurrent vote of both branches and approved April 9, 1943, proposed to the electors of said State the following amendment to the Constitution, to wit:

Article IX of the constitution is hereby amended by adding thereto the following section to be numbered section 22, and to read as follows:

'Sec. 22. All revenues derived from fees, excises and license taxes relating to registration, operation and use of vehicles on public highways, and to fuels used for the propulsion of such vehicles shall be expended solely for cost of administration, statutory refunds and adjustments, payment of debts and liabilities incurred in construction and reconstruction of highways and bridges, the cost of construction, reconstruction, maintenance and repair of public highways and bridges under the direction and supervision of a state department having jurisdiction over such highways and bridges and expense for state enforcement of traffic laws and shall not be diverted for any purpose, provided that these limitations shall not apply to revenue from an excise tax on motor vehicles imposed in lieu of personal property tax.' And

Whereas, it appears by the return of votes given in by the electors of the various cities, towns and plantations, voting upon said amendment, as directed in the aforementioned Resolve, upon the eleventh day of September, nineteen hundred and forty-four, and canvassed by the Governor and Council on October fourth, nineteen hundred and forty-four, that a majority of said votes were in favor of this amendment, namely 139,805 for, and 33,172 opposed;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do proclaim the constitution of the State of Maine amended as proposed, and in accordance with the provisions of this said Resolve, the amendment shall hereupon as of the date of this proclamation become a part of the constitution.

## PROCLAMATION BY THE GOVERNOR

Whereas, the day nears when we annually commemorate the armistice of 1918; and

Whereas, it is fitting that we honor both those who fought in the first world war and those who are now engaged in another and greater world conflict on this twenty-sixth anniversary of that day; and

Whereas, it appears we are approaching the victorious conclusion of this second world war, which will afford us another opportunity to so wage peace that wars may end, and that freedom shall be saved and made secure;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim November 11, 1944, as

**Armistice Day,**

and call upon the people of this state to honor the memory of the men who have died in these wars, and to set aside this day for dedication to principles which will enable our world society to achieve lasting peace with justice for all.

Whereas, our own great nation still enjoys full liberty, freedom and justice;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim Thursday, November 23, 1944, as

**STATE OF MAINE****PROCLAMATION BY THE GOVERNOR**

Whereas, our Bill of Rights became effective December 15, 1791; and

Whereas, the principles expressed in these ten original amendments to the United States Constitution offer a great hope in the cause of human freedom; and

Whereas, the wide acceptance of these democratic principles would prove of utmost value in efforts toward a just and enduring peace among the peoples of the world; and

Whereas, the American Bill of Rights Association is working for the recognition of December 15 as Bill of Rights Day;

Now, therefore, I, Sumner Sewall, Governor of the State of Maine, do hereby proclaim December 15, 1944, as

**Bill of Rights Day,**

and call upon the people of Maine to honor this day by display of the American Flag in thoughtful tribute to our free and brave forefathers who insisted upon incorporation of the Bill of Rights in our fundamental law.
