Whereas, the foregoing facts in the judgment of this legislature constitute an emergency within the meaning of the constitution of this state and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

~~Provided, however, that from funds arising from the sale of seed potatoes under this program said seed potato board shall cause to be paid into the state treasury annually a sum which shall, in 10 years, equal the amount of said \$100,000 appropriation; and in any year when said board cannot, from the sale of said seed potatoes, pay said amount in full, then the state treasury shall be reimbursed as to the balance of said amount by money taken from, but not larger than 10% of, the total tax collected under the provisions of sections 206 to 217, inclusive, of chapter 14, commonly known as the potato tax.~~

Provided, however, that if at the end of any fiscal year the seed board cannot show total assets of \$100,000, either in cash, real estate, chattels or potato contracts as determined by the state auditor, a sum sufficient to make up the \$100,000 shall be taken from the tax collected under the provisions of sections 206 to 217, inclusive, of chapter 14, commonly known

as the potato tax. This sum, however, shall not be larger than \$10,000 in any 1 fiscal year. In case the assets of the said seed potato board at the end of any fiscal year exceed \$100,000, then any sums which have been taken from the potato tax may be returned in an amount not to exceed the excess over \$100,000.

The 10-year period shall expire June 30, 1956, at which time there shall be returned to the general fund of the state, \$100,000.'
