**Sec. 3. Right of eminent domain conferred.** The said district, for the purposes of its incorporation, is hereby authorized to take and hold, as for public uses, by purchase, eminent domain, or otherwise, any land or interest therein, or water rights necessary for erecting and maintaining dams, for flowage, for power for pumping its water supply through its mains, for reservoirs, for preserving the purity of the water and watershed, for laying and maintaining aqueducts and other structures, for taking, distributing, discharging and disposing of water and for rights of way or roadways to its sources of supply, its dams, power stations, reservoirs, mains, aqueducts, structures and lands. The said district may, for the purposes outlined in this section, do any and all things necessary in providing a system of sewerage and drainage for public purposes and for the health, comfort and convenience of the inhabitants of said district.

Provided, however nothing herein contained shall be construed as authorizing said district to take by right of eminent domain any of the property or facilities of any other public service corporation or district used or required for future use by the owner thereof in the performance of a

public duty, unless expressly authorized herein or by subsequent act of the legislature.

**Sec. 4. Authorized to lay mains, pipes, conduits, etc., through public ways and across private lands.** The said district is hereby authorized to lay in and through the streets, roads, ways and highways of the town of Bridgton and across private lands therein, and to maintain, repair and replace all such pipes, mains, conduits, aqueducts, and fixtures as may be necessary and convenient for its corporate purposes, and whenever said district shall lay any pipes or aqueducts in any street, road, way or highway it shall cause the same to be done with as little obstruction as practicable to the public travel, and shall at its own expense without unnecessary delay cause the earth and pavement removed by it to be replaced in proper condition.
