Provided, however, nothing herein contained shall be construed as authorizing said water and sewer district to take by right of eminent domain any of the property or facilities of any other public service corporation or district used or acquired for future use by the owner thereof in the performance of a public duty unless expressly authorized thereto herein or by subsequent act of the legislature.

Sec. 4. Authority as to sewers. No entry shall be made on any private lands, except to make surveys, until the expiration of 10 days from such filing; whereon possession may be had of all such lands or interest therein so taken, but title thereto shall not vest in said district until paid for.
