Chapter 80

AN ACT to Incorporate the Town of Charleston School District.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Incorporation; name; purposes. Subject to the provisions of this act, the inhabitants of and the territory within the town of Charleston

are hereby created a body politic and corporate under the name of "Town of Charleston School District" for the purpose of acquiring property within the said town for school and related athletic and recreational purposes; for the purpose of erecting, enlarging, repairing, equipping and maintaining on said property a school building or school buildings and related athletic and recreational facilities; for the purpose of leasing or letting any property of said district to said town; for the purpose of receiving, accepting and holding gifts, grants or devises of property real, personal or mixed to be used for school and related athletic and recreational purposes; all for the benefit of the inhabitants of said district.

Sec. 2. Trustees, powers and duties; limitations. All the affairs of said district (except election of teachers who shall serve in the said schools and the fixing of their salaries, the course of study, the terms of school and all other matters pertaining to the education of pupils, which matters shall be controlled by the school board of the town of Charleston) shall be managed by a board of 5 trustees who shall be elected as is hereinafter provided. The board of trustees, acting for said district, shall have and exercise all the powers and authority necessary to carry out the purposes of this act and the powers and authority granted herein.

Sec. 3. Trustees; how elected, tenure of office, organization of board; officers, vacancies; compensation; reports. As soon as may be after the acceptance of this act as hereinafter provided, 5 trustees of said district shall be elected at the same meeting at which this act is accepted, to hold office as follows respectively: 1 until the next annual town meeting, 1 until the annual town meeting 1 year following, 1 until the annual town meeting 2 years following, 1 until the annual town meeting 3 years following and 1 until the annual town meeting 4 years following. At each annual town meeting of the town of Charleston, beginning with the annual town meeting after the acceptance of this act, 1 trustee shall be elected to serve until the annual town meeting occurring 5 years thereafter. When any trustee ceases to be a resident of said district he vacates the office of trustee. Any vacancy upon the board of trustees occurring because of change of residence of trustee, resignation, death or any cause except normal expiration of term of office shall be filled by the municipal officers of the town of Charleston for the unexpired portion of the term of the vacant office. All trustees shall be eligible for reelection or reappointment.

The first meeting of the board of trustees shall be held within 10 days after they have been elected as above provided. At this original meeting, they shall elect from their membership a president, a clerk and a treasurer, shall adopt a corporate seal, may ordain and establish such by-laws consistent with the laws of the state as are necessary for their own convenience and the proper management of the affairs of said district, and may do all

other acts, matters and things necessary to perfect their organization. Within 2 weeks after each annual town meeting of the town of Charleston, the trustees shall meet for the purpose of electing a president, clerk and treasurer for the ensuing year and until their successors are elected and qualified. The trustees shall have the right and authority to employ and fix compensation of such officers and agents as they may deem necessary for the proper conduct and management of the affairs of the district. The acquiring of land, the location and erection of buildings, the determination of the size and number of rooms and any other matters connected with the construction of said building or buildings shall be determined by the board of trustees in any manner which they may see fit.

The trustees shall serve without compensation, except that the treasurer may receive for his services an amount to be fixed by the board of trustees not in excess of \$100 per year. The treasurer shall give bond to the district in such sum and with such sureties as the trustees may determine, which bond shall remain in the custody of the president. The treasurer's salary, bond premium and all expenses of the district shall be paid from funds of the district.

At the close of each fiscal year of said district (which shall coincide with the fiscal year of the town of Charleston) the trustees shall make a detailed report of their doings, of the financial condition of said district, of the physical condition of its property, and also of such other matters and things pertaining to said district as shall show the inhabitants thereof how said trustees are fulfilling the duties and obligations of their trust. Such report shall be made and filed with municipal officers of the town of Charleston on or before February 15 of each year.

Sec. 4. How financed. To procure funds for the purpose of this act, and for such other expenses as may be necessary to carry out said purposes, the said district, by its trustees, is hereby authorized from time to time to borrow money and to issue its bonds and notes therefor, but shall not incur a total indebtedness exceeding the sum of \$35,000. Each bond and note shall have inscribed upon its face the words "Town of Charleston School District," shall bear interest at such rates as the trustees shall determine, payable semiannually, and shall be subject to such other provisions as the trustees shall determine. Said bonds and notes may be issued to mature serially or made to run for such periods as said trustee may determine, but none of which shall run for a longer period than 20 years from the date of the original issue thereof. All bonds shall be made callable. All bonds and notes issued by said district shall be signed by the treasurer and countersigned by the president of said district, and if coupon bonds be issued, each coupon shall be attested by the facsimile signatures of the president and treasurer printed thereon. Said bonds and notes shall

be legal obligations of said district which is hereby declared to be a quasi-municipal corporation within the meaning of section 132 of chapter 49 of the revised statutes, and all the provisions of said section shall be applicable thereto. The said bonds and notes shall be legal investments for savings banks. The said district is hereby authorized and empowered to enter into such an agreement with the state or federal government, or any agency thereof or any corporation or board authorized by the state or federal government to loan money or otherwise assist in the financing of such projects as this school district is authorized to carry out, as may be necessary or desirable to accomplish the purposes of this act.

Sec. 5. Sinking fund; refunding bonds provided for. In case any bonds or notes at any time issued are made to run for a period of years (as distinguished from serial maturity), the trustees shall establish a sinking fund for such bonds or notes for the purpose of redeeming the same when they become due. The amount to be paid annually into such sinking fund shall not be less than 5% of the total principal amount of such bonds or notes originally issued. In addition to such annual sinking fund payment, the trustees shall have authority from time to time to add to any such sinking fund any funds of said district not required for other purposes. Funds in any sinking fund may be deposited in any national bank, savings bank or trust company within the state or may be invested in whole or in part in any bonds of the United States, of the state of Maine or of any political subdivision thereof, as the trustees may determine. Interest received on any funds so invested shall be added to the sinking fund. When and if the amount accumulated in any sinking fund, together with interest received or to be received thereon, shall be sufficient to pay at maturity or, at the option of the trustees, to redeem the bonds or notes for the benefit of which such sinking fund was established, all further payments to such sinking fund shall cease.

Whenever any bonds or notes issued by said district may become due or can be purchased or called for redemption by said district on favorable terms said trustees, if sufficient funds have accumulated in the sinking fund provided therefor, shall pay, purchase or redeem said bonds or notes and cancel them. In no case shall bonds or notes so paid, purchased or redeemed, and cancelled, be reissued.

In case the amount in any sinking fund shall not be sufficient to pay the total amount when due of the bonds and notes for which such sinking fund was provided, or in case it shall become desirable in the opinion of the trustees to call for redemption any outstanding bonds or notes and to issue new bonds or notes in their stead, authority is hereby granted to refund so many of said original bonds or notes as cannot be paid or redeemed from the sinking fund provided therefor, if any, but in no case

shall such new bonds or notes mature more than 20 years from the original date of issue of the original bonds or notes so refunded.

Sec. 6. Assessment of taxes authorized to meet indebtedness; how collected; procedure. The trustees of the "Town of Charleston School District" shall determine what sum is required each year for sinking fund payments, or if the bonds or notes authorized by this act shall be issued to mature serially what sum is required each year to meet the bonds and notes falling due, and what sum is required each year to meet the interest on said bonds or other obligations, and what sum is required each year to meet other necessary expenses in the district, and shall each year, before the 1st day of April, issue their warrant in the same form as the warrant of the treasurer of state for taxes, with proper changes, to the assessors of the town of Charleston, requiring that they assess the total sum so determined upon the taxable polls and estates within said district and to commit their assessment to the constable or collector of said town of Charleston, who shall have all authority and powers to collect said taxes as is vested by law to collect state, county and municipal taxes. On or before the 31st day of December of the year in which said tax is so levied, the treasurer of said town shall pay the amount of the tax so assessed against said district to the treasurer of said district. In case of a failure on the part of the treasurer of the town to pay said sum, or in case of his failure to pay any part thereof on or before said 31st day of December of the year in which said tax is levied, the treasurer of said district may issue his warrant for the amount of said tax or so much thereof as shall then remain unpaid to the sheriff of Penobscot county, requiring him to levy by distress and sale on real and personal property of any of the inhabitants of said district, and the sheriff or any of his deputies shall execute said warrant except as is otherwise provided herein. The same authority as is vested in county officials for the collection of county taxes, under the provisions of the revised statutes, is hereby vested in the trustees of said district in relation to the collection of taxes within said district.

Sec. 7. Provisions for termination of the board of trustees. At such time as the school building or buildings and related athletic and recreational facilities shall have been completed, equipped and occupied by pupils of said district, and the board of trustees of the district shall have discharged all of its principal obligations, and the property of said district shall be free and clear of all indebtedness, the board of trustees shall automatically cease to function and all of the duties, management, care and maintenance of the property of said district shall revert to the school board of the town of Charleston or such other board as may at that time have jurisdiction over similar school property, and the then president and treasurer of said district shall cause to be executed, signed and delivered a good

and sufficient deed of all the property of said district to the town of Charleston. All money, if any, remaining in the treasury of said district at the time said trustees cease to function, shall be given to the town treasurer of the town of Charleston. This money shall be used only for school purposes and shall be kept separate from all other money until authorized by the selectmen of the town of Charleston to be expended for one or more of the purposes stated in this act.

Sec. 8. Authority to receive property from the town of Charleston. The "Town of Charleston School District" is hereby authorized to receive from the town of Charleston, and said town of Charleston is hereby authorized to transfer and convey to said district, any property, real, personal or mixed, now or hereafter owned or held by the town of Charleston for school purposes, and any sums of money or other assets which the said town of Charleston has raised or may raise, either by taxation, borrowing or otherwise, for school purposes. Before transferring and conveying any of the said property or turning over any of said funds or assets, the municipal officers of the town of Charleston shall be duly authorized to do so by a majority vote of the legal voters present at any annual or special town meeting, the call for which shall have given notice of the proposed action.

Sec. 9. Effective date, referendum. This act shall take effect 90 days after the adjournment of the legislature, only for the purpose of permitting its submission to the legal voters of the territory embraced within the limits of said district, present and voting at a special meeting called and held for the purpose or at an annual town meeting of the town of Charleston. Such special meeting or annual town meeting shall be held not later than 2 years after the effective date of this act. In the event a special meeting is called for the purpose, it shall be called, advertised and conducted according to the law relating to municipal elections; provided, however, that the board of registration in said town of Charleston shall not be required to prepare for posting, nor the town clerk to post, a new list of voters, and for the purposes of registration of voters, said board shall be in session 1 hour preceding such election. The town clerk shall prepare the required ballots on which he shall reduce the subject matter of this act to the following question: "Shall the act to Incorporate the Town of Charleston School District be accepted?" and the voters shall indicate by secret ballot using the words "Yes" or "No" their opinion of the same. This act shall take effect for all the purposes hereof immediately upon its acceptance by a majority vote of the legal voters voting at said meeting; provided the total number of votes cast for and against the acceptance of this act at said meeting equals or exceeds 20% of the total vote for all candidates for governor cast in said town at the next previous gubernatorial election. Failure of acceptance because of the necessary percentage

shall not prevent further meetings for the purpose of voting on the acceptance of this act. The result of the vote shall be declared by the municipal officers of the town of Charleston and due certificate thereof filed by the town clerk with the secretary of state.

Chapter 81

AN ACT to Incorporate the Town of Orrington School District.

Emergency preamble. Whereas, the accommodations for the schools in the town of Orrington are inadequate to accommodate the pupils therein; and

Whereas, there are at present 4 scattered buildings now used for school purposes resulting in inefficiency in administration with corresponding waste of money; and

Whereas, over-crowded conditions make it impossible to properly instruct the students in said schools and to maintain proper health and sanitary conditions therein, whereby the health, welfare, peace and safety of students is jeopardized; and

Whereas, further delay in building a suitable school building or buildings or additions to present buildings will endanger the health of the students in said town and will prevent their receiving the proper instruction to which they are entitled; and

Whereas, it is impossible for the town of Orrington to borrow the necessary money with which to build a school building or buildings or additions to present buildings; and

Whereas, if immediate action is taken it may be possible to obtain federal funds to assist in the building of the new school building or buildings or additions to present buildings; and

Whereas, in the judgment of the legislature, these facts create an emergency within the meaning of the constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Incorporation; name; purposes. Subject to the provisions of this act, the inhabitants of and the territory within the town of Orrington
