Provided, however, that it shall not construct any system of pipe lines or development, without first having submitted its plans to the public utilities commission and obtained its advice therefor in writing, under power vested in said commission by section 13 of chapter 40 of the revised statutes of 1944.

Sec. 2. Powers of said North Jay Water District; source of supply. The said district, for the purposes of its incorporation, is hereby authorized to take, hold, divert, use and distribute water from any surface or underground lake, pond, river, stream, brook, spring or vein of water in the town of Jay.

Sec. 3. Right of eminent domain conferred; authorized to lay pipes over public ways; authorized to erect reservoirs. The said district for the purposes of its incorporation is hereby authorized to take and hold as for public uses, by purchase or otherwise, including by right of eminent domain, any lands or interests therein, or water rights necessary for erecting and maintaining dams, for flowage, for power, for pumping its water supply through its mains, for reservoirs, for preserving the purity of the water and watershed, for laying and maintaining aqueducts and other structures, for taking, distributing, discharging and disposing of water and for rights of way or roadways to its sources of supply, dams, standpipes, wells, power stations, reservoirs, mains, aqueducts, structures and lands.

- II. To provide for the payment of the interest on the indebtedness created by the district.
- III. To provide each year a sum equal to not less than 1% nor more than 5% of the entire indebtedness created by the district, which sum shall be turned into a sinking fund and there kept to provide for the extinguishment of said indebtedness. The money set aside for the sinking fund shall be devoted to the retirement of the obligations of the district or invested in such securities as savings banks are allowed to hold. Provided, however, that the trustees may, in their discretion and

in lieu of the establishment of a sinking fund, issue the bonds of the district so that no less than 1% of the amount of the bonds so issued shall mature and be retired each year.

Such special elections shall be called, advertised and conducted according to the law relating to municipal elections; provided, however, that the municipal officers shall not be required to prepare nor the town clerk to post a new list of voters; and for this purpose said municipal officers shall be in session on the 3 secular days next preceding said election, the 1st and 2nd days thereof to be devoted to registration of voters and the last day to enable said officers to verify the correction of said lists and to complete and close up its records of said session.
