duct and management of its affairs; and hold real and personal property which it may now have or hereafter receive by gift, grant, devise, purchase or otherwise.

Sec. 3. Institution of higher learning; degrees. Said corporation is further empowered and authorized to establish, maintain and conduct at Alfred, within this state, an institution of higher learning to be known as La Mennais College; and to provide in said La Mennais College instruction in such languages and in the liberal and useful arts and sciences, including, but not limited to, courses in the humanities, mathematics, education, the natural and social sciences, philosophy, theology and the sacred sciences, as the said trustees of said corporation shall from time to time determine; and to grant and confer at and through said La Mennais College the academic degrees of Bachelor of Arts, Bachelor of Science, Bachelor of Philosophy and Bachelor of Education, and honors as are usually granted and conferred by institutions of higher learning.

Sec. 4. Meetings; officers; rules and regulations. Any of the persons named in section 1 of this act may, after approval of this act, call the first meeting of the trustees of La Mennais College Inc., by giving each of the other persons at least 5 days' notice in writing of the time and place of said meeting; and the said trustees may at said first meeting organize their body by the election of a president of the board, a treasurer, a secretary, and all other necessary officers by a majority vote. The terms of the respective members as trustees and of the officers of the corporation may be provided for and established either by vote of the majority of the trustees or under a by-law of the corporation. All other rules and regulations for the government and conduct of the affairs of the corporation may be promulgated either by vote of the majority of the trustees or by the adoption of a by-law of the corporation.

Chapter 190

AN ACT to Authorize the County Commissioners of Cumberland County to Issue Bonds for Bridge Repairs.

Emergency preamble. Whereas, in the judgment of the county commissioners of Cumberland county, new fender piers for Portland Bridge are urgently needed because the present fender piers afford no protection whatever to the superstructure of the bridge and great damage has occurred and may occur again for lack of proper protection; and

Whereas, in the judgment of the county commissioners of Cumberland county, the floor system of draw span of Portland Bridge should be rebuilt because the present floor system has deteriorated by age and use so that it is not adequate for present traffic and does not properly protect the structure beneath; and

Whereas, in the judgment of the county commissioners of Cumberland county, the electrical and mechanical equipment which operates the draw
