OF THE

STATE OF MAINE

As Passed by the Ninety-sixth Legislature

1953

Chapter 84

AN ACT to Incorporate the Norridgewock Water District.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Territorial limits; name; purposes; plans of system to be submitted to public utilities commission for approval. That part of the town of Norridgewock within the area hereinafter described, and the inhabitants within that area, are hereby created a body politic and corporate by the name of Norridgewock Water District for the purpose of supplying the inhabitants of said district with pure water for domestic, sanitary, agricultural, industrial and all lawful municipal purposes, and also for providing adequate sewerage facilities for the collection, discharge and disposition of sewage as may be necessary for the convenience and health of the inhabitants of said district.

The area within the district is to be comprised of that part of the town of Norridgewock bounded and described as follows: Beginning at a point which is the southwest corner of the house now occupied by Stanley Worth on the Mercer road; thence southeasterly in a straight line to an iron pin which is the intersection of the south corner of the Dodlin road, so called, and the Smithfield road; thence northeasterly in a straight line, across the Martin Stream road to a stone bound marking the intersection of the south line of the Alton Blaisdell farm and the Waterville road; thence northwesterly in a straight line to an iron pin which is at the intersection of the east line of the Ralph Blake property and the Skowhegan road; thence westerly in a straight line across the Kennebec river to an iron pin which is at the intersection of the north line of the Henry Crosby property and the Madison road; thence southwestwardly in a straight line across said Kennebec river to the point of beginning.

Provided, however, that it shall not construct any system of pipe lines or development, without first having submitted its plans to the public utilities commission, and obtained its advice therefor in writing, under power vested in said commission by section 13 of chapter 40 of the revised statutes of 1944.

Sec. 2. Powers of said Norridgewock water district. The said district, for the purposes of its incorporation, is hereby authorized to take, hold, divert, use and distribute water from the Kennebec river in the town of Norridgewock, and from any surface or underground brook, well, lake, pond, stream, spring or vein of water in said town of Norridgewock, and

to do any and all things necessary in providing a system of sewerage and drainage for public purposes and for the health, comfort and convenience of the inhabitants of said district. The said district is hereby authorized to proceed under section 8 of chapter 114 of the private and special laws of Maine for 1911 and to thereby acquire the system of waterworks of the Norridgewock Water Company, including everything therewith, including its franchise.

Sec. 3. May exercise eminent domain. The said district, for the purposes of its incorporation, is hereby authorized to take and hold as for public uses, real estate and personal estate, and any interest therein necessary for such purposes, by purchase, lease or otherwise, and is hereby authorized to exercise the right of eminent domain as hereinafter provided, to acquire for such purposes any land or interest therein or water rights necessary for erecting and maintaining dams, plants and works, for flowage, for power, for pumping, for supplying water through its mains and sewerage system, for reservoirs, for preserving the purity of the water and watershed, for laying and maintaining mains, aqueducts and other structures for taking, distributing, discharging and disposing of water and sewage, for forming basins, reservoirs and outlets in a sewage system, for erection of buildings for pumping works for use therein, for laying pipes and sewers and maintaining same, and for laying and maintaining conduits for carrying, collecting, discharging and disposing of sewage matters and waters, for filtering, rectifying, treating and disposal plants, works and facilities, for such other objects necessary, convenient and proper for the purposes of its incorporation, and for rights-of-way or roadways to its sources of supply, dams, power stations, reservoirs, mains, aqueducts, structures, plants, works, facilities and lands.

The said district is hereby authorized to lay in and through the streets, roads, ways and highways within the town, and across private lands therein, and to maintain, repair and replace, all such pipes, mains, conduits, aqueducts and fixtures as may be necessary and convenient for any of its corporate purposes and authorities, and whenever said district shall lay or install any pipes, aqueducts or fixtures in any street, road, way or highway, it shall cause the same to be done with as little obstruction as practicable to the public travel, and shall at its own expense without unnecessary delay cause the earth and pavement removed by it to be so replaced as to leave the surface in proper condition.

Provided, however, nothing herein contained shall be construed as authorizing said water district to take by right of eminent domain any of the property or facilities of any other public service corporation or district used

or acquired for future use by the owner thereof in the performance of a public duty unless expressly authorized thereto herein, or by subsequent act of the legislature, or as provided in section 2 hereof.

Sec. 4. Authority as to sewers. Said district may take into, receive and convey through its pipes, conduits and system, surface water and the natural flowage of existing water courses; may establish through and by its trustees regulations for the use of sewers and fix and collect the prices to be paid for entering the same, and also the annual or periodic rentals for the use thereof; may carry and lay conduits and pipes under any water course, and cross any drain or sewer, or, if necessary, to change its direction in such a manner as not to obstruct the use thereof, and in general to do any other acts or things necessary, convenient and proper to be done for the purpose of its incorporation.

Sec. 5. Abutting owner may enter sewer. Said district at all times, after it shall commence receiving pay for the sewerage facilities supplied by it, shall be bound to permit the owners of all premises abutting upon its lines of pipes and conduits, to enter the same with all proper sewerage upon conformity to its rules and regulations, and payment of the prices and rentals established therefor.

Sec. 6. Liability for damages. If any person, sustaining damages by any taking as aforesaid, shall not agree with said district upon the sum to be paid therefor, either party upon petition to the county commissioners of Somerset county may have said damages assessed by them, the procedure and all subsequent proceedings and rights of appeal thereon shall be had under the same restrictions, conditions and limitations as are or may be by law prescribed in the case of damages by the laying out of highways.

Sec. 7. Procedure if public utility must be crossed. In case of any crossing of any public utility, unless consent is given by the company owning or operating such public utility as to place, manner and conditions of the crossing within 30 days after such consent is requested by said district, the public utilities commission shall determine the place, manner and conditions of such crossing; and all work on the property of such public utility shall be done under the supervision and to the satisfaction of such public utility, but at the expense of the district.

Sec. 8. Board of trustees. All the affairs of said district shall be managed by a board of 3 trustees, resident therein, who shall be appointed by the municipal officers of the town of Norridgewock. They shall hold office as hereinafter provided and until their respective successors are appointed

and qualified. Whenever the term of office of a trustee expires, the municipal officers of the town of Norridgewock shall appoint a successor to serve the full term of 3 years and in case of any other vacancy arising from any cause, it shall be filled in like manner for the unexpired term. When any trustee ceases to be a resident of said district, his office as trustee shall be declared vacant. During his term of office, no selectman of said town of Norridgewock shall serve as a member of the board of trustees of the district.

Sec. 9. Trustees; how elected; meetings; officers; vacancies filled for the unexpired term. The first board of trustees shall be appointed within 10 days after the acceptance of this act by the voters of said district, 1 to serve until the 1st annual meeting of the district, 1 until the 2nd, and 1 until the 3rd such meeting. Thereafter, 1 member shall be appointed at the time of each annual meeting to serve for a term of 3 years. As soon as convenient after their appointment, the trustees first appointed shall hold a meeting at some convenient place in the district, to be called by any member thereof, in writing, designating the time and place, and delivered in hand to the other 2 members not less than 2 full days before the meeting; provided, however, that they meet by agreement and waiver without such notice. They shall then organize by the election of a chairman and clerk from their own number, adopt a corporate seal and by-laws, and perform any other acts within the powers delegated to them by law. As necessary, they may choose agents and other needful officers who shall serve at their pleasure, and whose compensation shall be fixed by said trustees. They shall choose annually a treasurer to serve for a term of 1 year, fix the treasurer's salary, which shall in no case exceed \$200 per year, and fill vacancies in that office. The treasurer shall furnish a bond, issued in such sum and by a surety company as approved by the trustees, and the expense of securing the bond is to be borne by the district. Members of the board shall be eligible to any office under the board, but shall not receive compensation therefor, except as trustee, unless authorized by vote of the municipal officers of the town of Norridgewock.

The compensation of the trustees shall not exceed \$50 each per year, unless otherwise provided by vote, as above provided.

The trustees shall be sworn to the faithful performance of their duties as such, which shall include the duties of any member as clerk or clerk pro tempore. They shall make and publish an annual report, which shall also contain a report of the treasurer.

Sec. 10. Annual meeting of district; qualification of voters of district. After the acceptance of this charter and the organization of the board, the

PRIVATE AND SPECIAL, 1953**CHAP. 84**

annual meetings of the district shall be held within the district on the 1st Monday of each March, at such hour and place as may be designated by resolution of the board of trustees as provided in the by-laws. Notice thereof, signed by the chairman or clerk of the board, shall be conspicuously posted in 2 public places within the district, not less than 7 days before the meeting. Special meetings may be called by the board in like manner at any time, and notice of special meetings shall state the business to be transacted thereat. Ten per cent of the voters qualified to vote in such meetings shall constitute a quorum. If for any reason a legally sufficient annual meeting is not held on the above date, a meeting in lieu thereof may be called in like manner to be held within 2 months from said date.

All persons resident in said district and qualified to vote for governor under the laws of this state shall be entitled to vote in any meeting of the district, including the meeting for acceptance of this charter.

Sec. 11. Trustees granted certain powers of selectmen. After the meeting of the voters of the district, for acceptance of this charter, and after the organization of the board under section 9, the trustees shall have the same powers and perform the same duties as otherwise are exercised and performed by the selectmen of towns in correcting and preparing lists of the persons qualified to vote in said district, and for that purpose they shall be in session at the place designated for holding the meeting between the hours of 10 o'clock in the forenoon and 12 o'clock noon on the secular day next before the date of every meeting, and also 2 hours before the opening of the meeting, and notice thereof shall be given in the call of the meeting. All meetings of the district shall be presided over by a moderator chosen in the same manner and with the same authority as moderators of town meetings.

Sec. 12. District and town authorized to make contracts. Said district, through its trustees, is authorized to contract with persons and corporations, including the town of Norridgewock, and said town of Norridgewock is authorized to contract with it, for the supply of water and sewerage facilities for municipal purposes.

Sec. 13. Authorized to negotiate temporary loans; and to issue notes and bonds; declared a quasi-municipal corporation; notes and bonds legal investment for savings banks. For accomplishing the purposes of this act, said district, through its trustees, is authorized to borrow money from time to time, and to issue therefor the interest-bearing negotiable notes of the district, maturing serially or otherwise, and to make subsequent renewals of the same in whole or in part, and for said purposes and for the

purpose of refunding any notes, bonds or other lawful indebtedness to establish a fund therefor. For the purpose of obtaining or providing money to pay or to meet any necessary expenses and liabilities under the provisions of this act, including expenses in the creation of this district, in securing sources of supply, taking water and land, paying damages, laying pipes, constructing, maintaining and operating a water plant and sewage disposal system and making extensions, additions and improvements to the same, the said district, through its trustees, may from time to time issue bonds of the district to an amount necessary in the judgment of the trustees therefor, maturing and payable at such time or times, in uniform or varying installments, with or without such call provisions, and with or without such a premium or premiums, as said trustees shall determine. Said notes and bonds shall be legal obligations of said district, which is hereby declared to be a quasi-municipal corporation within the meaning of sections 132 and 133 of chapter 49 of the revised statutes of 1944. The said notes and bonds shall be legal investments for savings banks.

Sec. 14. Property tax exempt. The property of said district shall be exempt from all taxation by the town of Norridgewock.

Sec. 15. Water rates; application of revenue; sinking fund. All individuals, firms and corporations, whether private, public or municipal, shall pay to the treasurer of said district the rates established by said board of trustees for the services used by them, and said rates shall be uniform within the territory supplied by the district, and the water rates shall be subject to the approval of the public utilities commission. Said water and sewer rates shall be so established as to provide revenue for the following purposes:

1. To pay current expenses for operating and maintaining the water system and sewer system.
2. To provide for the payment of the interest on the indebtedness created by the district.
3. To provide each year a sum equal to not less than 1% nor more than 5% of the entire indebtedness created by the district, which sum shall be turned into a sinking fund and there kept to provide for the extinguishment of said indebtedness. The money set aside for the sinking fund shall be devoted to the retirement of the obligations of the district or invested in such securities as savings banks or fiduciaries or trustees are now or hereafter allowed to hold. Provided, however, that

the trustees may, in their discretion and in lieu of the establishment of a sinking fund, issue the bonds of the district so that not less than 1% of the amount of the bonds so issued shall mature and be retired each year.

4. If any surplus remains at the end of the year, it may be turned into the sinking fund.

Sec. 16. Existing statutes not affected; rights conferred subject to provisions of law. Nothing herein contained is intended to repeal, or shall be construed as repealing the whole or any part of any existing statute, and all the rights and duties herein mentioned, except those referred to in section 13, shall be exercised and performed in accordance with all the applicable provisions of chapter 40 of the revised statutes, and all acts amendatory thereof or additional thereto.

Referendum; effective date; certificate to secretary of state. This act shall take effect 90 days after adjournment of the legislature, only for the purpose of permitting its submission to the legal voters of the district at a special election or elections called and held for the purpose. Said elections shall be called by the municipal officers of the town of Norridge- wock and shall be held at the regular voting place in the town; the dates of said elections shall be determined by said municipal officers but the first such meeting shall not be later than the 1st day of November, 1953. The board of registration shall prepare and furnish separate check lists for such of the voters within said district as are then legal voters of said town and reside in said district, and all notices, warrants or other proceedings shall be varied accordingly so as to show that only such voters as reside in said district as aforesaid are entitled to vote upon the above question. Such special elections shall be called, advertised and conducted according to the law relating to municipal elections; provided, however, the board of registration shall not be required to prepare nor the town clerk to post a new list of voters; and for this purpose said board of registration shall be in session on the 3 secular days next preceding said election, the 1st and 2nd days thereof to be devoted to registration of voters and the last day to enable the board to verify the correction of said lists and to complete and close up its records of said session. The town clerk shall reduce the subject matter of this act to the following question: "Shall the act to incorporate the Norridge- wock Water District be accepted?" and the voters shall indicate by a cross or check mark placed against the words "Yes" or "No" their opinion of the same. This act shall take effect for all the purposes hereof immediately upon its acceptance by a majority of the legal voters voting at such election; but only if the total number of votes cast for and against acceptance of this act in said special election equals or exceeds

20% of the total number of names on the check list of voters of said district provided for herein, which check list shall be used at such election; but failure of approval by the necessary percentage of voters shall not prevent subsequent elections.

The result of such elections shall be declared by the municipal officers of the town of Norridgewock and due certificates thereof filed by the town clerk with the secretary of state.

Effective August 8, 1953

Chapter 85

AN ACT Extending the Powers of the Maine-New Hampshire Interstate Bridge Authority.

Be it enacted by the People of the State of Maine, as follows:

P. & S. L., 1937, c. 18, §18, additional. Chapter 18 of the private and special laws of 1937, as amended, is hereby further amended by adding thereto a new section, to be numbered 18, to read as follows:

'Sec. 18. Additional powers. The Maine-New Hampshire Interstate Bridge Authority, created by the compact or agreement between the State of Maine and the State of New Hampshire, to which the consent of the Congress of the United States was given by Act approved July 28, 1937 (50 Stat. 538), is hereby authorized and empowered to reconstruct or improve the toll bridge heretofore constructed by the Authority across the Piscataqua River between the City of Portsmouth in New Hampshire and the Town of Kittery in Maine, its approaches and approach facilities, and to issue at one time or from time to time its bridge revenue bonds to refund any of the bridge revenue refunding bonds of the Authority then outstanding, including, if necessary, the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and to pay all or any part of the cost of such reconstruction or improvement. The issuance of such bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the Authority in respect of the same, shall be governed by the provisions of the act of the Legislature of the State of Maine approved March 4, 1937 (Chapter 18 of the Private and Special Laws of 1937), in so far as the same may be applicable.'

Effective August 8, 1953
