Chapter 6

AN ACT to Incorporate the Town of Readfield School District.

Emergency preamble. Whereas, the accommodations for the schools in the town of Readfield are inadequate to accommodate the pupils therein; and

Whereas, there are at present 4 different buildings in 4 different locations being used for school purposes, resulting in inefficiency in administration with corresponding waste of money; and

Whereas, continued repairs and renovations of said buildings seem an unwise expenditure of public money; and

Whereas, overcrowded conditions make it impossible to properly instruct the pupils in said schools and to maintain proper health and sanitary conditions therein, whereby the health, welfare and safety of pupils are jeopardized; and

Whereas, the largest school facility in said town has been condemned by the insurance department for all purposes except holding classes; and

Whereas, it is impossible for the town of Readfield to borrow the necessary money with which to construct a consolidated school; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety, now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. *Town of Readfield School District, incorporated.* Subject to the provisions of sections 7 and 8 hereof, the inhabitants of, and the territory within, the town of Readfield shall constitute a body politic and corporate under the name of the "Town of Readfield School District" for the following purposes: of acquiring land within said town for school purposes; of erecting, equipping including water supply, grading, fencing and maintaining on said land a school building for the elementary grades of the public school system; and for leasing or letting said property to said town; all for the benefit of the inhabitants of said district.

Sec. 2. Trustees, powers and duties; limitations. All the affairs of said district (except the election of teachers who shall serve in said school and the fixing of their salaries, the course of study, the terms of school, election of janitors, bus drivers and procuring busses, and all other matters pertaining to the education of pupils, which matters shall be controlled by the superintending school committee of the town of Readfield) shall be managed by a board of 3 trustees, who shall be residents of the town of Readfield and who shall be elected as hereinafter provided. The board of trustees, acting for said district, shall have and exercise all the powers and authority necessary to carry out the purposes of this act and the powers and authority granted herein.

Sec. 3. Board of trustees, how chosen; tenure of office; vacancies; organization; compensation; reports. As soon as may be after the acceptance of this Act as hereinafter provided, the Board of Selectmen of the town of Readfield shall appoint 3 trustees of said district to hold office as follows, respectively:

One until the next annual town meeting, one until the annual town meeting 2 years following and one until the annual town meeting 3 years following. At each town meeting of the town of Readfield, beginning with the annual town meeting after the acceptance of this Act, 1 trustee shall be elected to serve until the annual town meeting occurring 3 years thereafter. All trustees shall be eligible for reelection.

When any trustee ceases to be a resident of said district he vacates the office of trustee. When any vacancy occurs upon the board of trustees because of change of residence of trustees, resignation, death or any cause except normal expiration of term of office, a trustee shall be appointed at a joint session of the selectmen of the town of Readfield and the remaining trustees of said district to serve until the next annual meeting, at which time a member of said board shall be elected to fill the unexpired portion of the term of the vacant office.

The board of trustees shall hold a meeting within 15 days from the date of their election, at which meeting they shall organize by the election from their own membership of a president, clerk and treasurer, and adopt a corporate seal. They may employ all needful officers and agents for the proper conduct and management of the affairs of the district; and annually thereafter, within 2 weeks after each annual town meeting, the trustees shall organize as hereinbefore provided.

The trustees shall serve without compensation, except that the treasurer may receive for his services an amount to be fixed by the board of trustees not in excess of \$100 per year. The treasurer shall give bond to the district in such sum and with such sureties as the trustees may determine, which bond shall remain in the custody of the president. The cost of such bond shall be paid by the district.

At the close of each fiscal year of said district (which shall coincide with the fiscal year of the town of Readfield) the trustees shall make a detailed report of their doings, of the financial condition of said district, of the physical condition of its property, and of such other matters as shall show the inhabitants thereof how said trustees are fulfilling their duties and obligations. Such report shall be made and filed with the municipal officers of the town of Readfield in time to be published in the annual town report.

Sec. 4. How financed. The board of trustees is authorized to accept grants, gifts, bequests or donations whether given in the past or to be given in the future and apply the same to or accept the same for the particular purposes

CHAP. 6

PRIVATE AND SPECIAL, 1955

specified by the grant, gift, bequest or donation or if no such specification is made, to apply the same to the general purposes of this act together with such amounts as have been appropriated or may be appropriated by the town for the purposes of this act. To procure funds for the purposes of this act and such other expenses as may be necessary to the carrying out of said purposes, the trustees of said district are hereby authorized to issue bonds and notes for the district, but shall not incur a total indebtedness exceeding the sum of \$55,000. Each bond and note shall have inscribed upon its face the words: "Town of Readfield School District" and shall bear an impression of the district seal. Each bond shall be dated at such time, be in such denomination, bear such rate of interest not exceeding 4% per annum payable semiannually, be in such form, subject to the provisions of this act, and be sold in such manner, at public or private sale, as shall be determined by a majority vote of all of said trustees.

Said bonds and notes may be issued to mature serially or made to run for such periods as said trustees may determine, but none of which shall run for a longer period than 20 years. All notes or bonds issued by said district shall be signed by the treasurer and countersigned by the president of the district, and if coupon bonds be issued, each coupon shall be attested by a facsimile signature of the president and treasurer printed thereon.

Sec. 5. Sinking fund. In case any bonds or notes at any time issued are made to run for a period of years (as distinguished from serial maturity), the trustees shall establish a sinking fund for such bonds and notes for the purpose of redeeming the same when they become due. The amount to be paid annually into such sinking fund shall not be less than $3\frac{1}{3}\%$ of the total amount of such bonds and notes issued. In addition to such annual sinking fund payment, the trustees shall have authority from time to time to add to any such sinking fund any funds of said district not required for other purposes. Funds in any sinking fund may be deposited in any national bank, savings bank or trust company within the state or may be invested in whole or in part in any bonds of the United States, of the State of Maine, or of any political subdivision thereof, as the trustees may determine. Interest received on any funds so invested shall be added to the sinking fund. When and if the amount accumulated in any sinking fund, together with interest received or to be received thereon, shall be sufficient to pay at maturity, or, at the option of the trustees, to redeem all bonds and notes for the benefit of which such sinking fund was established, all further payments to such sinking fund shall cease.

Whenever any bonds or notes issued by said district may become due or can be purchased or called for redemption by said district on favorable terms, said trustees, if sufficient funds have accumulated in the sinking fund provided therefor, shall pay, purchase or redeem said bonds and notes and cancel them. In no case shall bonds or notes so paid, purchased or redeemed, and cancelled, be reissued.

In case the amount in any sinking fund shall not be sufficient to pay the total amount when due of the bonds and notes for which such sinking fund was provided, or in case it shall become desirable in the opinion of the trustees to call for redemption any outstanding bonds or notes and to issue new bonds or notes in their stead, authority is hereby granted to issue again as many of said original bonds or notes as cannot be paid or redeemed from the sinking fund provided therefor. In no case shall such new bonds or notes mature more than 30 years from the original date of issue of the original bonds or notes so refunded.

Sec. 6. Provisions for sinking fund. The trustees of the "Town of Readfield School District" shall determine the sum to be paid annually into the sinking

fund, or if the bonds or notes authorized by this act shall be issued to mature serially, what amount is required each year to meet the interest on said bonds or other obligations, and other necessary expenses in the district, and shall each year thereafter, before the 1st day of April, issue their warrant in the same form as the warrant of the treasurer of state for taxes, with proper changes, to the assessors of the town of Readfield, requiring them to assess the sum so determined upon the taxable polls and estates within said district and to commit their assessment to the constable or collector of said town of Readfield, who shall have all authority and powers to collect said taxes as is vested by law to collect state, county and municipal taxes. On or before the 31st day of December of the year in which said tax is so levied, the treasurer of said district may issue his warrant for the amount of said tax or so much thereof as shall then remain unpaid, to the sheriff of Kennebec county, requiring him to levy by distress and sale on real and personal property of any of the inhabitants of said district, and the sheriff or any of his deputies shall execute said warrant except as is otherwise provided herein. The same authority as is vested in the county officials for the collection of county taxes, under the provisions of the Revised Statutes, is hereby vested in the trustees of said district in relation to the collection of taxes within said district.

Sec. 7. Provisions for termination of the board of trustees. At such time as the school building shall have been completed, equipped and occupied by pupils of said district and the board of trustees of the district shall have discharged all of its principal obligations and the property of said district shall be free and clear of all indebtedness, the board of trustees shall automatically cease to function and all of the duties, management, care and maintenance shall revert to the school board of the town of Readfield or such other board as may, at that time, have jurisdiction over similar school property, and the then president and treasurer shall cause to be executed, signed and delivered a good and sufficient deed of all the property in said district, to the town of Readfield. All moneys, if any be remaining in the treasury of the board of trustees at the time it ceases to function, shall be paid over to the town treasurer of the town of Readfield. This money shall be used only for school purposes and shall be kept separate from all other money until its expenditure is authorized by the citizens of the town of Readfield as hereinbefore provided for.

Sec. 8. Emergency clause; effective date; referendum. In view of the emergency cited in the preamble, this act shall take effect when approved, only for the purpose of permitting its submission to the legal voters of the town of Readfield at any regular or special town meeting called and held for the purpose not later than 4 months after the approval of this act. Such special election shall be called, advertised and conducted according to law relating to municipal elections; provided, however, that the selectmen of the town of Readfield shall not be required to prepare for posting nor the town clerk to post a new list of voters, and for the purposes of registration of voters, said selectmen shall be in session 1 hour preceding such election. The town clerk shall reduce the subject matter of this act to the following question: "Shall the act to Incorporate the Town of Readfield School District be accepted?" and the voters shall indicate by ballot of the words "Yes" or "No" their opinion of the same. This act shall take effect for all the purposes hereof immediately upon its acceptance by a majority of the legal voters voting at said meeting; provided that the total number of votes cast for and against the acceptance of this act at said meeting equals or exceeds 20% of the total vote for all candidates for governor in said town at the next previous gubernatorial election. The result in said district shall be declared by the municipal officers of the town of Readfield and due certificate thereof filed by the town clerk with the secretary of state.
