Chapter 421

AN ACT to Create the Maine Industrial Building Authority.

Emergency preamble. Whereas, the inhabitants of the State of Maine on September 9, 1957 approved an amendment to the Constitution of Maine pledging the credit of the State and providing for a bond issue for guaranteed loans for industrial purposes; and

Whereas, acts of the Legislature do not become effective until 90 days after adjournment, the following legislation is urgently necessary to foster, encourage and assist the physical location, settlement and resettlement of industrial and manufacturing enterprises within the State; and

Whereas, in order to carry out the will of the people of Maine as expressed in their approval of the Constitutional Amendment, the following legislation is vitally necessary to provide opportunities for gainful employment by the people of Maine and to insure the preservation and betterment of the economy of the State and its inhabitants; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. R. S., c. 38-B, additional. The Revised Statutes are hereby amended by adding thereto a new chapter to be numbered 38-B, to read as follows:

'CHAPTER 38-B.

Maine Industrial Building Authority Act.

Sec. 1. Title. This chapter shall be known and may be cited as the "Maine Industrial Building Authority Act."

Sec. 2. Purpose. It is declared that there is a state-wide need for new industrial buildings to provide enlarged opportunities for gainful employment by the people of Maine and to thus insure the preservation and betterment of

the economy of the State and its inhabitants. It is further declared that there is a need to stimulate a larger flow of private investment funds from banks, investment houses, insurance companies and other financial institutions including pension and retirement funds, to help satisfy the need for housing industrial expansion. Therefore, the Maine Industrial Building Authority is created to encourage the making of mortgage loans for the purpose of furthering industrial expansion in the State.

Sec. 3. Credit of State pledged. The Maine Industrial Building Authority is authorized to insure the payment of mortgage loans, secured by industrial projects, and to this end the faith and credit of the State is hereby pledged, consistent with the terms and limitations of section 14-A of Article IX of the Constitution of the State of Maine.

Sec. 4. Organization of authority. The Maine Industrial Building Authority hereinafter in this chapter called the authority, hereby created and established a body corporate and politic, is constituted a public instrumentality of the State, and the exercise by the authority of the powers conferred by the provisions of this chapter shall be deemed and held to be the performance of essential governmental functions. The authority shall consist of 9 members, including the Commissioner of Economic Development, and 8 members at large appointed by the Governor with the advice and consent of the Council for a period of 4 years, provided that, of the members first appointed, 2 shall be appointed for a term of one year, 2 for a term of 2 years, 2 for a term of 3 years and 2 for a term of 4 years. A vacancy in the office of an appointive member, other than by expiration, shall be filled in like manner as an original appointment, but only for the remainder of the term of the retiring member. Appointive members may be removed by the Governor with the advice and consent of the Council for cause. The authority shall elect one of its members as chairman, one as vice-chairman, one as treasurer, and shall employ a manager, who shall be secretary. The secretary and treasurer shall be bonded as the authority shall direct. Five members of the authority shall constitute a quorum and the affirmative vote of all the members of the quorum, present and voting, shall be necessary for any action taken by the authority. No vacancy in the membership of the authority shall impair the right of the quorum to exercise all rights and perform all the duties of the authority.

All the members of the authority shall be reimbursed for their actual expenses necessarily incurred in the performance of their duties.

The manager shall be appointed by the authority and his tenure of office shall be at the pleasure of the authority. He shall receive such compensation as shall be fixed by the authority with the approval of the Governor and Council.

The manager shall be the chief administrative officer for the authority and as such shall direct and supervise the administrative affairs and technical activities of the authority in accordance with rules, regulations and policies as set forth by the authority. No member of the authority shall participate in any decision on any contract of insurance if he has any interests, direct or indirect, in any firm, partnership, corporation or association which would be a mortgagee, whose loan to a local development corporation is insured by the authority, or if he has any interest, direct or indirect, in any firm, partnership, corporation or association which would rent, lease or otherwise occupy any premises constructed by a local development corporation where said corporation's mortgage is guaranteed by the authority, or if he is a director or officer or otherwise associated with any local development corporation whose mortgage is guaranteed by the authority.
