## Chapter 437

### AN ACT Regulating Fishing in Reclaimed Waters.

**Emergency preamble.** Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment; and

Whereas, it is vitally necessary to conserve the trout fishery in reclaimed waters by certain regulations; and

Whereas, rough fish have been removed from these waters, and it is necessary to prevent the introduction of rough fish by anglers; and

Whereas, in the judgment of the Legislature these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

*Be it enacted by the People of the State of Maine, as follows:*

**Sec. 1. R. S., c. 37, § 46-A, additional.** Chapter 37 of the Revised Statutes, as revised, is amended by adding a new section 46-A, to read as follows:

'Sec. 46-A. Daily limit and live fish as bait in certain waters. The Commissioner of Inland Fisheries and Game is authorized and directed to issue a rule and regulation establishing a 5-fish daily limit and prohibiting the use or possession of live fish as bait in such waters as have been reclaimed by the removal of rough fish.'

**Sec. 2. R. S., c. 37, § 54-A, additional.** Chapter 37 of the Revised Statutes, as revised, is amended by adding a new section 54-A, to read as follows:

'Sec. 54-A. Ice fishing in certain waters regulated. The Commissioner of Inland Fisheries and Game is authorized and directed to issue a rule and regulation closing to ice fishing such waters as have been reclaimed by the removal of rough fish.'

**Emergency clause.** In view of the emergency cited in the preamble, this act shall take effect when approved.

Effective January 16, 1958
