After the effective date of this act, all moneys paid during a person's lifetime to any individual, firm, association, partnership or corporation, by such person or by someone in his behalf under an agreement that services be performed or personal property be delivered in connection with the disposition of such person's body after his death shall be deposited by the payee within 30 days after receipt thereof in a separate account in a bank, trust company or savings institution in this State in the name of the payee as mortuary trustee for the person for whose benefit the payment was made and shall be held in such account together with interest if any thereon.
