The voters shall indicate by a cross or check mark placed against the words "Yes" or "No" their opinion of the same.

This act shall take effect for all the purposes hereof immediately upon its acceptance by a majority of the legal voters voting at said election; but only if

the total number of votes cast for and against the acceptance of this act at said special election equals or exceeds 20% of the total number of names on the check list of voters of said district provided for herein; but failure of approval by the necessary percentage of voters shall not prevent subsequent elections.
