AN ACT Providing for Supplemental Payments of the 1959 Education Subsidies to Certain Administrative Units and Payments for Various Educational Subsidy Programs.

Emergency preamble. Whereas, the state subsidy payments to administrative units for education costs made in December, 1959 were based upon the provisions of chapter 353, public laws of 1959; and

Whereas, the subsidy allotments to administrative units estimated to be payable in December, 1959 and used in the budget presentation to the regular session of the 99th Legislature and by the respective administrative units in the budgets for their 1959-1960 fiscal years were based upon the provisions of chapter 443, public laws of 1957 then in effect; and

Whereas, the change in the subsidy formula required by chapter 353, public laws of 1959 resulted in decreases to certain administrative units in state subsidy payments on educational costs in December, 1959, which decreases were not known to or contemplated by the units at the time their respective budgets were approved and tax assessments made for their 1959-1960 fiscal year; and

Whereas, these subsidy decreases resulted in severe financial hardships to many of these administrative units in the operation of their educational programs in their 1959-1960 fiscal year; and

Whereas, supplemental appropriations are required immediately to provide the necessary funds to support certain educational subsidy programs; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,
