## Chapter 13

### AN ACT to Validate Proceedings Authorizing the Issuance of Bonds by School Administrative District No. 11.

**Emergency preamble.** Whereas, the management and control of the public schools located in the Towns of Pittston, Randolph and West Gardiner and the City of Gardiner have been assumed by School Administrative District No. 11 which embraces the territory in said municipalities; and

Whereas, the school buildings which house an elementary school in the Town of Pittston and the high school in the City of Gardiner are inadequate and unsafe and it is imperative that action be taken at the earliest possible moment to relieve such conditions; and

Whereas, funds for capital outlay purposes are required by said School Administrative District in order to construct additional elementary and secondary school classrooms; and

Whereas, action to secure such funds has long been delayed by legal proceedings to which School Administrative District No. 11 was not a party thus further exacerbating the situation; and

Whereas, action was taken by said School Administrative District to raise such funds on June 20, 1960, at the same time as the state primary when, although the applicable statutory requirements as to the time of opening and closing the polls and the use of ballots in the elections held in all of the constituent municipalities were duly met, the warrant for such election in 2 of the member towns failed to announce the time of opening and closing the polls and that voting would be by ballot, thus raising doubts as to the legality of the proceedings to authorize the issuance of bonds or notes, with consequent further delay in eliminating the inadequate and unsafe conditions in such public schools; and
