### RESOLVE, Authorizing Director of Public Improvements to Grant Certain Easements on Land of the State in Augusta.

**Emergency preamble.** Whereas, it is necessary for the health and safety of the public to construct a trunk storm sewer line to drain areas in the vicinity of the Blaine House in Augusta; and

Whereas, it is necessary that said work be done as soon as possible to prevent some flooding of streets and property and to prevent delay of parts of said line now under progress of construction; and

Whereas, legislation is required to secure easements across state land in Augusta for said line and any other sewer and storm water lines that later may be necessary; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

**Director of Public Improvements; authorized to grant certain easements. Resolved:** That the director of public improvements, with the approval of the Governor and Council, is authorized to grant to the Augusta Sewerage District such easements as may be mutually agreed upon, on terms that may be mutually agreed upon, covering the location of underground pipelines and mains for the purpose of conveying sewage and storm water across, through and under certain land of the State in Augusta.

**Emergency clause.** In view of the emergency cited in the preamble, this resolve shall take effect when approved.

Effective March 22, 1961
