**Sec. 2. Authority to acquire and hold property; right of eminent domain conferred.** Upon acceptance of this act as hereinafter provided, title to all public sewers in the Town of Fort Kent shall pass to and vest in said district, and said district shall maintain and operate same except as hereinafter provided. For the purpose of providing a system of sewers and drainage for the comfort, convenience and health of the inhabitants of said district, the said district is authorized and empowered to acquire and hold real estate and personal estate necessary and convenient for the purposes aforesaid subject to all duties and obligations of the Town of Fort Kent with respect thereto, which duties and obligations are to be assumed by said district. The district is authorized to take and hold by purchase, lease or the exercise of the right of eminent domain, as hereinafter provided, or otherwise, any land, real estate or easement therein necessary for forming basins, reservoirs and outlets; for erection of buildings for pumping works and sewage treatment and for laying pipes and maintaining same and for laying and maintaining conduits for carrying and collecting, discharging and disposing of sewage matter and rain water and for other objects necessary, convenient and proper for the purpose of this act, and all of such property, wherever located, shall be exempt from taxation.

Any person aggrieved by the decision of said trustees, as it relates to the damages for land or easements therein so taken, shall have the same rights of appeal as are provided in the case of the laying out of town ways.

The trustees of said district may purchase all maps, plans and files relating to sewers and drainage which are in the possession of the Town of Fort Kent. Where the character of the work of said district is such as to endanger travel on any street or way, said Town of Fort Kent shall direct the temporary closing of such streets or ways, and of intersecting streets or ways, upon request of said district, and such streets or ways shall remain closed to public traffic until the work of said district is completed and the surfaces of said streets or ways are restored to a proper condition as hereinbefore set forth.

**Sec. 7. Extensions.** The district shall have the right to determine whether extensions to its system shall be made, subject to the authority of local and state officials and the Water Improvement Commission. Authority to borrow money.** For accomplishing the purposes of this act and for such other expenses as may be necessary for the carrying out of said purposes, said district, through its trustees, without district vote, is authorized to issue its notes and bonds in one series or in separate series from time to time and to make subsequent renewals of the same in whole or in part to an amount not exceeding the sum of \$100,000. Said notes and bonds shall be a legal obligation of said district, which is declared to be quasi-municipal corporation within the meaning of the Revised Statutes of 1954, chapter 90-A, section 23, as enacted by the public laws of 1957, chapter 405, section 1, and all the provisions of said section are applicable thereto; shall be a legal investment for savings banks in the State of Maine; and shall be exempt from all present taxes. Each bond or note shall have inscribed on its face the words "Fort Kent Sewerage District Bond" or "Fort Kent Sewerage District Note," as the case may be, and shall bear interest at such rates as the trustees shall determine. If said bonds or notes be issued from time to time, each authorized issue shall constitute a separate loan. Each loan may be payable in annual amounts of principal, beginning not more than one year from the date, and made to run for such period as said trustees shall determine.
