**Sec. 3. Purposes.** To establish, maintain and operate nonprofit dental service plans, whereby dental care may be provided by dentists or groups of dentists with which this corporation has a contract for such purpose, to such persons or groups of persons as become subscribers to said plan under a contract which entitles each subscriber to certain dental care, and the dentist or dentists so contracting with this corporation shall be governed by this section and shall be exempt from all other provisions of the insurance laws of this State, unless otherwise specifically provided herein. This application for certificate or license shall be accompanied by copies of the following documents: certified copy of bylaws; certified copy of proposed con-
