Chapter 193

AN ACT to Authorize the Establishment of a Regional Vocational Education Center or Centers in York County and the Issuance of Not Exceeding Five Hundred Thousand Dollar Bonds of the State of Maine for the Partial Financing Thereof.

Preamble. The average Maine youth, by the nature of his environment, is naturally gifted in the use of his hands and he desires to work. At present there is little opportunity for a boy or girl to receive vocational training at the high school level. When their needs are not satisfied they usually leave high school and become school dropouts. Many have to leave the State to get even menial employment.

The U. S. Navy Yard—at the entrance to York County, employs in excess of 8,000 personnel. When phased out, no one knows what will happen. However, because of its locale and facilities, it certainly will not lay dormant. Private industry will have to take over and industry needs trained skilled workers. Vocational technical training at the high school level can be the life blood of the area. Berwick, Sanford, Kennebunk, Biddeford and Saco,—all are becoming more heavily industrialized. Neighboring South Portland is already heavily industrialized. Unfortunately none of these communities can offer anything but token vocational training at the secondary level. We have four post sec-

ondary vocational technical institutes operated by the State but no state operated regional vocational education centers. Until the State or local communities establish regional vocational education centers as feeders, only then can we expect the post secondary vocational schools to do the job intended. We need vocational high schools all over Maine. They will do much to keep our young people from becoming school dropouts and leaving the State.

Preamble. Two-thirds of both Houses of the Legislature deeming it necessary in accordance with Section 14 of Article IX of the Constitution to authorize the issuance of bonds on behalf of the State of Maine to provide for a regional vocational education center or centers.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Regional Vocational Education Center or Centers. Subject to the submission by an eligible public school agency in York County of a plan meeting state board approval, the State Board of Education will assist in the establishment and operation of regional vocational education center or centers in accordance with Legislative Document No. 44 of the 102nd Legislature.

Sec. 2. Treasurer of State to issue bonds. The Treasurer of State is directed, as requested by the State Board of Education with the approval of the Governor and Council, to issue bonds from time to time in the name and on behalf of the State to an amount not exceeding \$500,000 for the purpose of raising funds for the construction of said regional vocational education center or centers, as provided in this Act. Such bonds shall be general obligations of the State of Maine and the full faith and credit of the State shall be pledged to the payment of interest and redemption of the bonds.

The bonds shall be dated, shall mature at such time and times not exceeding 20 years from their date, and may be made redeemable before maturity, at the option of the Treasurer of State, at such price or prices and under such terms and conditions as may be approved by the Governor and Council prior to the issuance of the bonds, and shall bear interest at such rate or rates not exceeding 5% per year, as may be determined by the Treasurer of State with the approval of the State Board of Education.

The Treasurer of State, with the approval of the Governor and Council, shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may include any bank or trust company within or without the State.

The bonds shall be signed by the Treasurer of State and countersigned by the State Auditor and any interest coupons attached thereto shall be executed with the facsimile signature of the Treasurer of State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until such delivery. The bonds may be issued in coupon or registered form, or both, as the Treasurer of State may determine, and provisions may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of coupon and registered bonds.

Sec. 3. Records of bonds issued to be kept by State Auditor and Treasurer of State. The State Auditor shall keep an account of such bonds, showing the number and amount of each, the date of countersigning, the date when payable and the date of delivery thereof to the Treasurer of State, who shall keep an account of each bond, showing the number thereof, the name of the person to whom sold, the amount received for the same, the date of sale and the date when payable.

Sec. 4. Sale, how negotiated; proceeds appropriated. The Treasurer of State may negotiate the sale of such bonds by direction of the state board with the approval of the Governor and Council. The proceeds of the sales of such bonds which shall be held by the Treasurer of State and paid by him upon warrants drawn by the State Controller at the order of the state board or of its authorized representative are appropriated to be used solely for the purposes set forth in this Act. Any balance unexpended shall not lapse, but shall be carried forward to the same account to be used only for the purposes set forth herein.

Sec. 5. Proceeds of bonds not available for other purposes; must be kept separate from other funds. The proceeds of all bonds issued under the authority of this Act, and the funds made available for interest and debt retirement thereunder shall at all times be kept distinct from all other moneys of the State and shall not be drawn upon or be available for any other purpose.

Sec. 6. Interest and debt retirement. Interest due or accruing upon any bonds issued under this Act and all sums coming due for payment of bonds at maturity shall be paid by the Treasurer of State.

Sec. 7. Disbursement of bond proceeds. The proceeds of such bonds shall be expended under the direction and supervision of the State Board of Education.

Sec. 8. Other sources of funds. This Act shall not in any manner preclude the state board from obtaining construction funds in any other ways or from any other sources; or from accepting from any authorized agency of the Federal Government loans or grants for the planning, construction or acquisition of any project; or from entering into agreements with such agency respecting any such loans or grants.

Sec. 9. Contingent upon ratification of bond issue. No action shall be taken or liability incurred under this Act unless and until the electors of the State of Maine shall have ratified the issuance of bonds in behalf of the State at such time and in such amounts as set forth in this Act for the purpose of assisting in the construction of a regional vocational education center or centers in York County.

Referendum for ratification. The aldermen of cities, the selectmen of towns and the assessors of the several plantations of this State are hereby empowered and directed to notify the inhabitants of their respective cities, towns and plantations to meet in the manner prescribed by law for calling and holding biennial meetings of said inhabitants for the election of Senators and Representatives at the next general or special state-wide election to give in their votes upon the acceptance or rejection of the foregoing Act, and the question shall be:

“Shall ‘An Act Providing a Bond Issue in the Amount of Five Hundred Thousand Dollars for a Regional Vocational Education Center or Centers in York County’ passed by the 102nd Legislature, be accepted?”

The inhabitants of said cities, towns and plantations shall vote by ballot on said question and shall indicate by a cross or check mark placed against the words "Yes" or "No" their opinion of the same. The ballots shall be received, sorted, counted and declared in open ward, town and plantation meetings, and return made to the office of the Secretary of State in the same manner as votes for Governor and Members of the Legislature, and the Governor and Council shall count the same, and if it shall appear that a majority of the inhabitants voting on the question are in favor of the Act, the Governor shall forthwith make known the fact by his proclamation, and the Act shall become effective in 30 days after the date of said proclamation.

Secretary of State shall prepare ballots. The Secretary of State shall prepare and furnish to the several cities, towns and plantations ballots and blank returns in conformity with the foregoing Act, accompanied by a copy thereof.
