## Chapter 248

### AN ACT Relating to Inspection of County Jails.

*Be it enacted by the People of the State of Maine, as follows:*

R. S., T. 34, § 3, amended. Section 3 of Title 34 of the Revised Statutes is amended by adding after the 2nd paragraph, the following paragraph:

Failure on the part of the county commissioners to maintain standards established under this section, discovered during any jail inspection conducted under this section, shall be reported by the commissioner in writing to the county commissioners of the county in which such jail is located, specifying deficiencies and departures from such standards. It shall be the responsibility of the county commissioners to cause such deficiencies to be corrected and such standards to be restored, within 60 days from receipt of the report of the commissioner. The commissioner may contract with any qualified person to serve as consultant to the department for the purpose of inspections under this section and to inspect the county jails, and any law to the contrary notwithstanding, such qualified person may be an officer or employee of the department.

Effective October 7, 1967

## Chapter 249

### AN ACT to Revise the Oil Burner Men's Law.

*Be it enacted by the People of the State of Maine, as follows:*

Sec. 1. R. S., T. 32, § 2301, repealed and replaced. Section 2301 of Title 32 of the Revised Statutes is repealed and the following enacted in place thereof:

#### § 2301. Definitions

The following words and phrases when used in this chapter shall be construed as follows:

1. Oil burner installations. "Oil burner installations" shall mean the installation, alteration or repair of oil burning equipment, including industrial, commercial and domestic type central heating plants, and domestic type range burners and space heaters and further including all accessory equipment, control systems, whether electric, thermostatic or mechanical, electrical wiring in connection therewith to a suitable distribution panel or disconnect switch, but excluding all other electrical equipment or work in the building or structure where the above equipment is installed, and shall include hot and cold water connections
