### AN ACT Relating to the Maine Indian Housing Authority.

**Emergency preamble.** Whereas, Acts of the Legislature do not become effective until 90 days after adjournment of the Legislature unless enacted as emergencies; and

Whereas, because, in the opinion of the Attorney General, the law relating to Indian Housing Authority does not clearly empower them to construct, develop, operate and maintain adequate water and sewerage systems; and

#### § 4735. Area of operation

The area of operation of an authority is within the territorial boundaries of the reservation for which it is created. **Each authority is empowered to construct, develop, operate and maintain water and sewer systems to insure that adequate water and sewer services are available to the housing project.**

**Emergency clause.** In view of the emergency cited in the preamble, this Act shall take effect when approved.
