Chapter 505

AN ACT Permitting a School Administrative District to Change its Building Site After the Original Authorization of the Voters.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, School Administrative District No. 57 did authorize the construction of a new high school on a specified site; and

Whereas, further examination of the site indicates that the water level may be too high for economical construction; and

Whereas, there is no authorization in the statute for the district to vote on a change of site; and

Whereas, a change of site would be beneficial to the local area and to the State; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legis-

lation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:
