A licensee of dentistry who enters into any of these arrangements with an unlicensed proprietor may have his license certificate suspended or revoked.

4. Corporations; names. No corporation shall practice, offer or undertake to practice or hold itself out as practicing dentistry. Every person practicing dentistry as an employee of another shall cause his name to be conspicuously displayed and kept in a conspicuous place at the entrance of the place where such practice is conducted. #### § 1082. Qualifications

All persons applying for examination and a certificate to practice dentistry in this State shall be at least 21 years of age, of good moral character, citizens of the United States and shall be graduates of and have a diploma from a reputable dental college, school or dental department of a reputable university approved by the board.

#### § 1083. Application for examination; subjects; reexamination

Not less than 10 days prior to the date upon which an examination is held, each applicant for certificate to practice dentistry shall file an application for examination and pay to the secretary of the board a fee of \$50 and present himself for examination at the first regular meeting of the board after such application is filed. Such fee may be refunded to the applicant by the board for good cause shown. The examination may be clinical or theoretical, or both. The theoretical examination may be written or oral, or both, at the option of said board, and may include such subjects as the board may deem appropriate. The board may, at its discretion, recognize a certificate granted by the National Board of Dental Examiners in lieu of, or subject to, such examination as may be required. The board shall require as part of the examination a clinical demonstration of the candidate's skill in dentistry. An applicant who fails to pass the first examination to the satisfaction of the board shall be entitled to one reexamination with a charge of \$25 and the fee for any subsequent examination shall be \$50.

#### § 1084. Certificates; fees; registration cards

The board shall issue under its seal, to all persons who shall successfully pass said examination, its certificate of ability to practice dentistry in this State, signed by its president and secretary. Whenever requested by a member or authorized agent of the board, a dentist shall exhibit his license. Said certificate shall be considered a license to practice dentistry in this State, except that it shall be unlawful for any person to practice dentistry in this State in any year after the year in which said certificate is issued to him, unless he shall pay to the treasurer of the board on or before January 1st of said year a fee of \$10 for which he shall receive a registration card, which card shall be placed beside or attached to the certificate. Practitioners who shall not have paid as provided shall be reinstated and licensed for the balance of the current year upon payment of a fee of \$20 if paid before March 1st. A license to practice is automatically suspended on March 1st for nonpayment of registration fee and may be reinstated on payment of fee of \$25. New applicants having paid the examination fee shall not be subject to the \$10 annual license fee for the calendar year in which they were licensed.

§ 1085. Reciprocity with other states; fees

The board is authorized, at its discretion, without the examination as provided, to issue its certificate to any applicant therefor who shall furnish proof, satisfactory to the board, that he has been duly licensed to practice dentistry in another state after full compliance with the requirements of its dental laws. If licensed to practice dentistry in said other state after the first day of January, 1913, his professional education shall not be less than is required in this State, and such applicant shall have been at least 5 years in actual practice in the state in which said license was granted. No license shall be issued under this section unless the state, territory or district from which the applicant comes shall accord equal rights to dentists of Maine holding a license from the Maine Board of Dental Examiners. Every license so given shall state upon its face the grounds upon which it is granted, and the applicant may be required to furnish his proof upon affidavit. The fee for such license shall be \$50.

§ 1086. Permits for internship; revocation; suspension

The board shall have the authority, upon presentation of satisfactory credentials and under such rules and regulations as the board may prescribe, to issue a permit to a graduate of an approved dental school or college who has not been licensed or registered to practice dentistry in this State, and who has not failed to pass an examination for license in this State, to serve as a dental intern for a period of one year, provided that such hospitals maintain a recognized staff of one or more licensed dentists. Such intern shall function under the supervision and direction of the dental staff of such hospitals, his work to be limited to the patients confined to the hospital in which he serves, and shall receive no fee or compensation other than that received in salary or other remuneration from such hospitals. The board shall have the power to revoke the permit of any such intern at any time within the year for which it is issued upon the recommendation of such procedure by the executive officer of the resident dental staff of the hospital in which he serves or for any other reason which the board may deem justifiable. Such limited permits granted for the purpose of internships shall automatically expire at the end of one year and may be subject to renewal.

Special permits shall be issued by the State Board of Dental Examiners to dentists of good standing and morality practicing outside the State when the

request for such dentists comes from some charitable or social organization within the State and when the intention of such charitable or social organization is to provide free dental care for the public when no resident dental service is available. Such permit shall be issued for one year and shall not be subject to renewal.

§ 1087. Fee for duplicate certificate

An applicant for a duplicate certificate granted upon proof of loss of the original shall pay a fee of \$10.

§ 1088. Lawful practitioners

§ 1089. Drugs or medicines prescribed

A dentist or dental surgeon shall have the right to prescribe drugs or medicine, perform such surgical operations, administer general and local anaesthetics and use such appliances as may be necessary for proper dental treatment.

§ 1090. Prescription required for dental laboratory

Any dentist who shall use the services of any person, which word when used in this section shall include all legal entities, not licensed to practice dentistry in this State, to construct, alter, repair or duplicate any denture, plate, partial plate, bridge, splint, orthodontic or prosthetic appliance, shall first furnish such unlicensed person with a written prescription, on forms prescribed by the board, which shall contain:

- A. The name and address of such unlicensed person;

Each act constituting a violation of any of the provisions of this chapter shall be held to be a separate offense and on each day on which any such violation shall continue a separate offense within the meaning of this law shall be held to be committed. A subsequent conviction shall be punished by the maximum penalties prescribed in this section, and the offender be required to furnish a recognizance conditioned to refrain from further unlawful practice.

#### § 1093. Fraudulent sale or alteration of diplomas

Whoever sells or offers to sell a diploma conferring a dental degree or a certificate granted pursuant to the laws of this State, or who procures such certificate or diploma with intent that it shall be used as evidence of the right to practice dentistry by a person other than the one upon whom the diploma or certificate was conferred, or who with fraudulent intent alters such diploma or certificate, or uses or attempts to use the same when altered, or whoever attempts to bribe a member of the board by the offer or use of money or other pecuniary reward or by other undue influence shall be punished by a fine of not less than \$200 nor more than \$500, or by imprisonment for not less than 30 days nor more than 60 days, or by both. #### SUBCHAPTER IV DENTAL HYGIENISTS

##### § 1095. Definition

Dental hygiene shall mean the treatment of human teeth by scaling, polishing, planing and removing therefrom calcareous deposits, and by removing accumulated accretion from directly beneath the free margins of the gums; the making of x-ray exposures of teeth and surrounding tissues; the clinical examination of the teeth and surrounding tissues for carious lesions, periodontal pockets and other abnormal condition; the obtaining and recording of basic medical and dental histories and information; the instruction of patients in proper tooth care; the application of fluorides or other substances beneficial in the control of caries; the application of desensitizing agents; the polishing and smoothing of rough edges of restorations, and the cementing of facings and pontics outside of a patient's mouth; provided that nothing in the Maine Revised Statutes shall be so construed as to affect the practice of medicine or dentistry nor to prevent students of a dental college, university or school of dental hygiene from practicing dental hygiene under the supervision of their instructors; and, provided that nothing in the Revised Statutes shall be construed to authorize any dental hygienist to perform any operation in a patient's mouth without general supervision of a dentist within a dentist's office, a public or private institution, or for the Department of Health and Welfare.

##### § 1096. Qualifications

Any person of good moral character over 19 years of age who is a citizen of the United States of America and has successfully completed 2 years of training in a school of dental hygiene that is approved by the Board of Dental Examiners shall be eligible to take the examination for the practice of dental hygiene.

##### § 1097. Application and fee

Any eligible person desiring to practice dental hygiene shall make written application to the Board of Dental Examiners to take the examination. Such application shall be accompanied by an examination fee of \$25. Any applicant failing to pass said examination shall be entitled to one additional examination for which the fee will be \$10. The fee for each reexamination after the first shall be \$25. All examinations may be given by the full board or by a subcommittee of said board which it may appoint.

##### § 1098. Certificate; annual fee

The board shall issue certificates of ability to practice as dental hygienists in this State to those who have passed said examination, which certificate shall be exhibited whenever requested by a member or authorized agent of the board.

Said certificate shall be considered a license to practice as a dental hygienist in this State for the year in which it is issued. Thereafter, and on or before January first of each year, said dental hygienist shall pay to the secretary of the board an annual registration fee of \$5. A registration card for that year will then be issued, which card is to be placed beside or attached to the certificate. Failure to be properly registered by January first of each year will result in automatic suspension of license to practice dental hygiene. Reinstatement may be made by payment of \$10 to the secretary of the board.

#### § 1099. Reciprocity

The board may at its discretion, without examination, issue its certificate to any applicant to practice dental hygiene who shall furnish proof satisfactory to said board that said dental hygienist has been duly licensed to practice in another state after full compliance with the requirements of its dental laws, provided that the professional education shall not be less than required in this State. The board may require letters of reference as to ability and moral character. Every certificate so given shall state upon its face that it was granted on the basis of reciprocity. The fee for such certificate shall be \$25.

#### § 1100. Use of former employers' lists; revocation or suspension of license

The Administrative Hearing Commissioner shall revoke or suspend the license of any registered and licensed dental hygienist who is found guilty of using or attempting to use in any manner whatsoever any prophylactic lists, call lists, records, reprints or copies of same, or information gathered therefrom, of the names of patients whom he might have served in the office of a prior employer, unless such names appear upon the bona fide call or prophylactic list of his present employer and were caused to so appear through the legitimate practice of dentistry as provided for in this chapter. The Administrative Hearing Commissioner shall suspend or revoke the license of any licensed dentist who is found guilty of aiding or abetting or encouraging a dental hygienist employed by him to make use of a so-called prophylactic call list, or the calling by telephone or by use of written letters transmitted through the mails to solicit patronage from patients formerly served in the office of any dentist formerly employing such hygienist.

Sec. 81. R. S., T. 32, c. 58, repealed. Chapter 58 of Title 32 of the Revised Statutes, as enacted by section 1 of chapter 321 of the public laws of 1967, is repealed.

Sec. 82. R. S., T. 32, c. 56, additional. Title 32 of the Revised Statutes is amended by adding a new chapter 56, to read as follows:

### CHAPTER 56.

### PSYCHOLOGISTS

### SUBCHAPTER I

### GENERAL PROVISIONS

§ 3811. Definition of practice of psychology

Two levels of psychological practice are defined for the purpose of this chapter. Such levels shall be known and referred to as "psychological examiner" and "psychologist".

1. Psychological examiner. A person practices as a "psychological examiner" within the meaning of this chapter when he holds himself out to be a psychological examiner, or renders to individuals or to the public for remuneration services involving the application of recognized principles, methods and procedures of the science and profession of psychology, but limited to interviewing or administering and interpreting tests of mental abilities, aptitudes, interests and personality characteristics, for such purposes as psychological evaluation or for educational or vocational selection, guidance or placement.

2. Psychologist. A person practices as a "psychologist" within the meaning of this chapter when he holds himself out to be a psychologist, or renders to individuals or to the public for remuneration any service involving the application of recognized principles, methods and procedures of the science and profession of psychology, such as interviewing or administering and interpreting tests of mental abilities, aptitudes, interests and personality characteristics, for such purposes as psychological evaluation or for educational or vocational selection, guidance or placement, or for such purposes as overall personality appraisal or classification, personality counseling, psychotherapy or personality readjustment.

3. Limitation. Nothing in this chapter shall be construed as permitting the practice of medicine as defined in section 3251 by psychological examiners or psychologists.

§ 3812. Unlawful practice

It is specifically prohibited that any individual or organization shall present himself or be presented to the public by any title incorporating the name "psychological," "psychologist" or "psychology," other than those so licensed by this chapter, except that any psychological scientist employed by a recognized research laboratory, college, university or state or federal agency may represent himself by the title conferred upon him by the administration of such or equivalent laboratory, college, university or state or federal agency. Nothing in this section shall be construed as permitting such persons to offer their service to any other persons or organizations as consultants or to accept remuneration for any psychological services other than that of their institutional salaries unless they have been licensed under this chapter. Visiting lecturers from recognized laboratories, colleges or universities are exempt from this section and may utilize their academic research title when presenting lectures to similar institutions or organizations. Students of psychology, psychological interns and other persons preparing for the profession of psychological examiner or psychologist under qualified supervision in recognized training institutions or facilities may be designated by such titles as "psychological intern", "psychological trainee" or others clearly indicating such training status.

The use of occasional services of qualified consultant psychologists from without the State or the use of the services of organizations from without the

State employing qualified psychologists shall not constitute the unlawful practice of psychology.

### § 3813. Limitations

Nothing in this chapter shall be construed to limit the professional pursuits of teachers and counselors in recognized public and private schools. Students of psychology, psychological interns and other persons preparing for the profession of psychological examiner or psychologist may perform as a part of their training the functions specified in section 3811, but only under the supervision of a licensed psychologist. No industrial or business firm or corporation may sell or offer to the public or to other firms or corporations for remuneration any psychological services as specified in section 3811, unless such services are performed or supervised by individuals duly and appropriately licensed under this chapter as "psychologist".

### § 3814. Penalties

If any person shall hold himself out to the public as a psychologist or psychological examiner or who engages in psychological practice as defined in section 3811 and shall not then possess in full force and virtue a valid license to practice as psychological examiner or psychologist under this chapter, he shall be deemed guilty of a misdemeanor, and upon conviction shall be punished by a fine of not less than \$100 nor more than \$500 for each offense or by imprisonment for 3 months, or by both.

### § 3815. Privileged communications

A person has a privilege to refuse to disclose, and to prevent a witness from disclosing, a communication between himself and a psychologist or psychological examiner if he claims the privilege.

### § 3816. Code of ethics

The board of examiners shall adopt a code of ethics in keeping with those standards established by the American Psychological Association to govern appropriate practices or behavior as referred to in this chapter, and shall file such code with the Secretary of State within 30 days prior to the effective date of such code.

## SUBCHAPTER II

### BOARD OF EXAMINERS

### § 3821. Membership; terms; vacancies

There is created a State Board of Examiners of psychologists, hereinafter in this chapter called the "board," to consist of 5 members who shall be appointed by the Governor. Within 30 days after October 7, 1967, the Maine Psychological Association shall submit to the Governor their recommendation of the members to be appointed, and the Governor shall act promptly by making said ap-

pointments for the terms set forth. Selection shall be from recommendation by the association which shall name 10 members eligible for licensing under this chapter, from which 5 members shall be appointed. All vacancies occurring on the board shall be filled by the Governor for the unexpired term from said list of qualified members, within a reasonable time after the vacancy occurs. The members first appointed on the board shall be designated as serving from one to 5-year terms respectively, in order to provide staggered terms for service on said board, and thereafter all appointments shall be for 5-year terms. On or before the date when a member's term expires, the association shall make its recommendations to the Governor for a successor appointee and such successor appointee shall be named by the Governor on or before the expiration date of the terms so expiring.

§ 3822. Meetings; organizations; powers and duties

Within 30 days after their appointment, the board shall meet and organize by electing a chairman, secretary and treasurer. Each member shall receive all ordinary expenses incident to holding meetings, provided that such expense shall not exceed the fees collected by said board. The board shall hold at least one regular meeting each year. Called meetings may be held at the discretion of the chairman or at the written request of any 2 members of the board. Said board shall adopt a seal, which must be affixed to all licenses issued by the board. The board shall from time to time adopt such rules and regulations as they may deem necessary for the performance of their duties, and shall examine and pass upon the qualifications of the applicants for the practice of psychology. Three members of the board shall at all times constitute a quorum. The board shall be empowered to hire such assistants as is necessary to carry on its activities, within the limits of funds available to the board, and shall be empowered to accept grants from foundations or institutions.

§ 3823. Disposal of fees

All fees charged and collected by the board, as well as all moneys credited to the previous board, shall be deposited by it in the State Treasury to the credit of the board. All such moneys are appropriated to be used by the board in carrying out this chapter. The expenditures of the board may be paid only from such moneys.

### SUBCHAPTER III

### REGISTRATION

§ 3831. Registration; qualifications

1. Psychological examiner. Any person wishing to obtain the right to practice as a psychological examiner, who has not heretofore been licensed to do so, shall, before it shall be lawful for him to practice as a psychological examiner, make application to the Board of Examiners of Psychologists through the chairman, upon such form and in such manner as shall be adopted and prescribed by the board, and obtain from the board a license to do so. Unless such a person has obtained a license, it shall be unlawful for him to practice, and if he shall practice as a psychological examiner without first having obtained such a license he shall be deemed to have violated this chapter. A candidate for such license shall furnish the board with satisfactory evidence that he is of good

moral character, has had a master's degree from an accredited educational institution recognized by the board as maintaining satisfactory standards, or its academic equivalent in the opinion of the board, has had at least one year of full-time supervised experience in psychology of a type considered by the board to be qualifying in nature, is competent as a psychological examiner as shown by passing such examinations, written or oral, or both, as the board deems necessary, is not considered by the board to be engaged in unethical practice, and has not within the preceding 6 months failed an examination given by the board. The board may in its discretion refuse to grant a license to an applicant who is not an American citizen.

2. Psychologist. Any person wishing to obtain the right to practice as a psychologist, who has not heretofore been licensed to do so, shall, before it shall be lawful for him to practice psychology, make application to the Board of Examiners of Psychologists through the chairman, upon such form and in such manner as shall be adopted and prescribed by the board, and obtain from the board a license to do so. Unless such a person has obtained a license, it shall be unlawful for him to practice, and if he shall practice psychology without first having obtained a license, he shall be deemed to have violated this chapter. A candidate for such license shall furnish the board with satisfactory evidence that he is of good moral character, has received a doctorate degree in psychology from an accredited institution recognized by the board as maintaining satisfactory standards, at the time the degree was granted, or, in lieu of degree, a doctorate degree in a closely allied field, if it is the opinion of the board that the training required therefor is substantially similar, has had at least 2 years of experience in psychology of a type considered by the board to be qualifying in nature, is competent in psychology, as shown by passing such examinations, written or oral, or both, as the board deems necessary, is not considered by the board to be engaged in unethical practice, and has not within the preceding 6 months failed an examination given by the board. The board may in its discretion refuse to grant a license to an applicant who is not an American citizen.

### § 3832. Examination

Examination of applicants for a license to practice psychology or as psychological examiner shall be made by the Board of Examiners of Psychologists at least once a year according to methods and in such subject fields as may be deemed by the board to be the most practical and expeditious to test the applicant's qualifications. Such examinations shall include the basic psychological sciences. The board shall require the examinations to be written or oral, or both, provided that in any written examination such applicant shall be designated by a number instead of his name so that his identity shall not be disclosed to the members of the board until the examination papers have been graded. The board shall grade the written examinations returned by the candidate and shall keep them for at least 3 years. A candidate shall be held to have passed the examination upon the affirmative vote of 3 or more members of the board. Any unsuccessful candidate may, upon written request to the board, see his graded paper.

### § 3833. Fees

There shall be paid to the board chairman by each applicant for a permanent license a fee of \$35. No part of this fee shall be returnable under any circumstances other than failure of the board to hold examinations at the time originally announced, whereupon the entire fee may be returned at the option of the candidate.

§ 3834. Issuance of license

Said board shall be the sole agency empowered to examine concerning competence in the practice of psychology, and to grant license for the practice of psychology at the appropriate level. Such license shall be signed by the chairman of the Board of Examiners of Psychologists attested by the secretary under the board's adopted seal, whereupon a proper license shall be issued.

§ 3835. Biennial registration

The board shall have authority to adopt and enforce rules and regulations requiring every person having a license to practice, which is granted by said board, to pay a biennial registration fee of \$5. Said fee shall become due on a date fixed by the board.

Failure to pay the biennial registration fee 30 days from the time stated shall automatically suspend the right of any licentiate to practice his or her profession while delinquent.

If any licentiate fails within one year of due date to pay said fee, it shall be the duty of the board, without hearing or notice, to cancel his or her license, subject to reinstatement. If application for reinstatement is made the board shall consider the moral character and professional qualifications of the applicant, as in the case of an original application.

§ 3836. Licensure under special conditions

For a period of one year from October 7, 1967 the board shall grant, upon payment of the regular fee, a license as Psychologist to any applicant presently holding a valid certificate in psychology issued by the Maine Board of Examiners of Psychologists. The board may, at any time at its discretion, grant a certificate without an assembled examination to any person residing or employed in the State who at the time of application is licensed or certified by a similar board of another state whose standards, in the opinion of the board, are not lower than those required by this chapter. The board, at its discretion, may issue a temporary license, at the appropriate level, to applicants for a permanent license upon payment of a fee, to be established by the board, such license to be valid for no more than one year from date of issue.

§ 3837. Suspension, refusal or revocation of license

The Board of Examiners of Psychologists may refuse to grant a license, or may recommend suspension of any such license for a period to be determined by the board, on the following grounds: The employment of fraud or deception in applying for a license or in passing the examination provided for in this chapter; conviction of a felony involving moral turpitude; the practice of psychology under a false or assumed name or the impersonation of another practitioner of a like or different name; habitual intemperance in the use of ardent spirits, narcotics or stimulants to such an extent as to incapacitate him for the performance of his duties; an incapacitating mental illness; violation of the medical practices act; practice of a level of psychology inappropriate to the particular license held by the licentiate; upon recommendation of the ethics committee of the Maine Psychological Association or of the American Psychological Association; or

negligence or wrongful actions in the performance of his duties. Said board may, upon satisfactory proof that any applicant or licentiate has been guilty of any of the above offenses, refuse to grant a license to said applicant upon a vote of at least 3 members of the board or the Administrative Hearing Commissioner, as designated in Title 5, chapters 301 to 307, may suspend or revoke a license of said licentiate. An application for reinstatement may be made to the board, and it may, upon favorable action by 3 of its members, reinstate the applicant.

§ 3838. Hearing on refusal, revocation, suspension

The board may not refuse to issue or to renew any license for any cause listed, unless the person accused has been given at least 20 days' notice in writing by registered mail, with return receipt demanded, of the charges against him and a public hearing by the board. The written notice shall be mailed to the person's last known address, but the nonappearance of the person shall not prevent such a hearing. Upon such a hearing, the board may administer oaths and procure by its subpoenas the attendance of witnesses and the production of relevant books and papers.

§ 3839. Review of board's ruling

Any action of, or ruling or order made or entered by the board declining to issue a certificate or declining to recommend licensure, shall be subject to review by the courts of this State in the same manner, and subject to the same powers and conditions as now provided by law in regard to rulings, orders and findings of other quasi-judicial bodies in Maine, where not otherwise specifically provided.

Sec. 83. R. S., T. 33, § 353, amended. The last paragraph of section 353 of Title 33 of the Revised Statutes, as enacted by chapter 158 of the public laws of 1967, is amended to read as follows:

In all cases of foreclosure of real estate mortgages by publication, a certificate of the publication of foreclosure made by the mortgagee or by an officer of the mortgagee, if a corporation, recorded on or before January 1, ~~1947~~ 1968 shall be prima facie evidence of the publication of foreclosure to the same extent as if the certificate had in fact been made by the register of deeds and recorded; such certificates made by the mortgagee or by an officer of the mortgagee, if a corporation, and recorded on or before January 1, ~~1947~~ 1968 shall have the same force and effect as if made by the register of deeds, in the first instance, and are hereby validated.

Sec. 84. R. S., T. 34, § 252, amended. The first paragraph of section 252 of Title 34 of the Revised Statutes, as enacted by section 1 of chapter 489 of the public laws of 1967, is amended to read as follows:

The commissioner may appoint a Coordinator of Youth Activities, which person will be selected, not primarily on the basis of professional training, but rather on the basis of high moral standards, outstanding character, one who has exhibited outstanding traits of leadership and who has ~~appealed~~ appeal to the youth of our State.
